Maintenance Fee Waiver Certifications Denied Mining Claims Declared Forfeited

The Maintenance Fee Waiver Certifications (small miner waivers) filed for the 2021 assessment year, for the mining claims listed above, are denied. Because the small miner waivers are denied and because the required maintenance fee payments due on or before September 1, 2020, were not paid, these claims are declared forfeited.

The Bureau of Land Management's (BLM) regulations at 43 CFR 3830.21, and 3834.11(a)(2) state that by September 1 of each year, holders of mining claims must pay an annual maintenance fee of \$165 per claim per 20 acres or portion thereof. In lieu of paying the required maintenance fee, claimants may submit a valid small miner waiver, in accordance with 43 CFR 3835.1, 3835.10, and 3835.11.

In accordance with 43 CFR 3835.1(b), to qualify for a small miner waiver, you and all related parties must hold no more than a total of 10 mining claims or sites nationwide. As defined at 43 CFR 3830.5, "related party means: a) the spouse and dependent children of the claimant as defined in section 152 of the Internal Revenue Code of 1986 [26 U.S.C. section 152]; or, b) A person who controls, is controlled by, or is under common control with the claimant." "Control means actual control, legal control, or the power to exercise control, through or by common directors, officers, stockholders, a voting trust, or a holding company or Investment Company, or any other means."

Small miner waivers were filed for the eleven mining claims listed above. The BLM has reviewed the case files for each of the mining claims listed above to verify that the owners qualify for a small miner waiver. The BLM has made the following findings:

1. The waivers submitted on the above claims are all signed by Delmar Nightingale, either as owner, member, or managing member.
2. Ownership of the mining claims is as follows:

| AMC NUMBER | CLAIM NAME | B and N Mining LLC | Delmar Nightingale |
|------------|---------------------|--------------------|--------------------|
| AMC405019 | CW 1 | | X |
| AMC405020 | CW 2 | | X |
| AMC426089 | AU DIGGER | X | |

| AMC450148 | RAINBOW'S END SOUTH | X | |
| AMC458203 | AU DIGGER 2 | X | |
| AMC458204 | AU DIGGER 3 | X | |
| AMC458205 | AU DIGGER 4 | X | |
| AMC458206 | AU DIGGER 5 | X | |
| AMC459219 | AU DIGGER 6 | X | |
| AMC459220 | AU DIGGER 7 | X | |

3. Additionally, B and N Mining LLC owns 18 mining claims in Nevada, numbers NMC1192221, NMC1192222, NMC1198305 – NMC1198320. The 2021 maintenance fees were paid on the Nevada mining claims.

In accordance with 43 C.F.R. 3835.92(d), because you or a co-claimant own more than 10 mining claims or sites and submitted a small miner waiver request and failed to pay the required maintenance fee on or before the due date for the 2021 assessment year, the mining claims listed above are declared forfeited and void as of September 1, 2020. Additionally you and the co-claimants may be subject to criminal penalties under 18 U.S.C. 1001.

Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the BLM, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. (See 43 CFR 3809.605(h) and 43 CFR 3809.700)

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals (IBLA), Office of the Secretary, in accordance with the regulations contained in 43 CFR Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the IBLA and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please contact RéAnn Myers at 602-417-9413.

Mining Claim Location Notices – Corrections Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recordation of mining claims. In accordance with 43 CFR 3832.11 and 3832.12, the claim(s) listed above are not properly located. Because they are not properly located we cannot record them as filed. They must be corrected as noted below or they will be declared null and void ab initio.

There is no signature on the location notices, CW 1 & CW 2 (AMC405019 & AMC405020). At least one locator or an agent must sign the location notice. You must file a correction with a signature on each of the above notices. Also, for your information, review the furnished map. CW 2 takes no interest in the land closed to location. On your location notice write corrected copy at the top of the location notice. There is no fee. Send in to attention Tony Smith. No fee is required.

You must provide the requested information for each claim listed above to correct the defects. Please do this by providing a copy of your location notice with the appropriate corrections, and note at the top of the form that it is a "Corrected Copy of Location Notice". If it is just the map that is missing, please provide the map. If the information is not received within the 30-day timeframe, the mining claims will be declared null and void ab initio.

6/27/2011 Talked with agent he will send in CW1 & 2 signed.

If additional information is required, please contact TONY SMITH 602-417-9355. Please include your AMC serial number(s) on all correspondence.

This Decision Affects Those Claims
Shown in the Block Below.

CW 3

Mining Claim(s) Declared Null and Void Ab Initio

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recording mining claims. In accordance with 43 CFR 3833.91, the claim(s) listed above is/are hereby declared null and void ab initio for the reason indicated below. A copy of the Master Title Plat is enclosed for your convenience, if applicable.

The claim is located on land that is not open to location. The surface was reconveyed to the U.S. but the subsurface was retained by the grantor.

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

7/6/2011 TS
ENTERED INTO COMPUTER

For land administered by the BLM, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact TONY SMITH 602-417-9355. Please include your AMC serial number(s) on all correspondence.

NOTE TO FILE

October 18, 2018

AMC405019

I spoke to Delmar Nightingale this morning concerning his current address. The letter we sent him was returned (RTS) to us. We used the address written on his 2019 waiver which we received on 8/07/18.

I also told him we have two different addresses for NIGHTINGALE DELMAR in our database. He said he moved from the address listed in Kansas City, MO over 5 years ago.

He will submit his current mailing address and a corrected 2019 waiver. He asked me to email him the current waiver form.

I emailed the current waiver form to Mr. Nightingale and I also attached a copy of the flyer with information concerning the fees that were increased as of October 1, 2018. I also consolidated the two addresses in LR-2000. We now have only one address for him.

To: delgalva@hotmail.com

Per your telephone request today, I am attaching the most current waiver form, and information concerning the increase in our processing fees as of October 1, 2018, for the following: amendments, transfers, affidavit of labor (POL), and the notice of intent to hold mining claims (NOI).

At this time you do not need to send in any additional money because we received your 2018 affidavit of labor (POL), prior to October 1, 2018. We received your 2018 POL filing on 8/7/18 (R#4229979).

Please submit an original corrected waiver as quickly as possible, for your mining claims. The one we received on August 7, 2018, was submitted on an expired form (Expires: October 31, 2016). In the future, please use the most current forms available.

We will need your current mailing address as well, since you made mention that you moved from the address that is listed on your waiver (the address on 23 avenue). Please submit a written request to update your address and do reference your mining claim numbers as well. When we receive your new address information, we will update our database and note our records. A copy of your request will be placed into the Lead case file(s).

If you have any questions or concerns, please do call.

Thank you kindly,

--
