MINING CLAIM DECLARED FORFEIT

The mining claim listed above has been declared forfeit as of September 1, 2013, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$140 per 20 acres, or submit a waiver, on or before September 1 of each year. (In accordance with 43 CFR 1822.14, because September 1, 2013, fell on a Sunday and Monday was a holiday, the payment was due the next business day, September 3, 2013.) These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

The Bureau of Land Management (BLM) received a maintenance fee payment in the amount of \$1960, to be applied to a total of 14 claims. However the payment was insufficient to cover all of the claims listed. Our records show AMC390543 LUCKY LODGE GOLD claim is 40 acres, therefore, the maintenance fee due for that claim was \$280 and the total due for all 14 claims listed was \$2100. The payment we received was applied to the claims in the order listed and became deficient for the last claim on the list, AMC410344 SOCCORO GOLD #10, which is therefore declared forfeit.

For land administered by the Bureau of Land Management, if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

Locator Requirements for Association Placer Mining Claims Additional Information Required

The Bureau of Land Management (BLM), Arizona State Office received the location notice(s) for the association placer mining claim(s) listed above. You are included as a locator of the claim(s).

You must be qualified to locate an association placer mining claim and your mining claim must conform to the requirements of Federal law, 30 U.S.C. 35, 36, and regulations at 43 CFR 3832.22. These laws allow the location of placer mining claims greater than 20 acres so long as each of the locators has a bona fide interest in the claims, and has located the claims independently, for their own self-interest, and in good faith. The law is well established that a person cannot use the names of his friends, relatives, or employees as locators in order to locate for his own benefit a greater area of placer ground than is allowable by law. A Company, Corporation or Trust is considered to be one entity, entitled to locate claims of no more than 20 acres in size. Individuals who are Trustors of a Trust, or who are in control of a Company or Corporation or are a majority shareholder cannot be listed as an additional locator on the same association placer mining claim in order to gain more acres for the Trust, Company or Corporation than is allowable by law. Any claim located using dummy locators is not a valid mining claim.
