Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

Not all owners of the mining claims have signed the document. Please obtain the missing signature of TIM BOADWAY on the enclosed copy of the waiver. We require the most current address for each claim owner. A Serial Register Page for each claim is enclosed listing all of the claim owners.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155 per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections within the 60 day time frame, the claim(s) will be declared forfeited and closed.

Please include your AMC serial number on all correspondence. If additional information is required, please contact Pauline Brown, at 602-417-9360.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Heick".

Hi Pauline,

You have one set of claims that have 486 that are still open but I think the 486 needs to be changed to a 483 and then a 247 needs to be added. it looks like you are waiting for a waiver correction.

However, if they did not send the waiver correction and their time is up then I guess you could leave the 486 code since you will be closing them anyway.

They are for Boadway - AMC414508 - 510.

Please check on these and take the appropriate action so we can finish up all of these filing season issues.

thank you,

Amy

For AMC414508-510 the Maintenance fee's were paid in lieu of the waiver (R#2909817, paid on 11/12/2013), because they cannot find the person to sign the waiver and they were in the process of publishing that person out.

Do I have to edit or add any of the ccc in LR-2000?

Mr. Tim Boadway

Dear Mr. Boadway:

Thank you for your inquiry letter regarding ownership of some mining claims and the possible falsifying of documents.

In researching Bureau of Land Management (BLM) records, we found that you are listed as a co-owner on three active mining claims, AMC414508 (HI LOAD 2), AMC414509 (HI LOAD 4) and AMC414510 (HI LOAD 5). Jerry and Matt Hedgpeth are also listed as co-owners of these three claims. The claims were located on February 19, 2012, and recorded with BLM on February 26, 2012.

Enclosed with your letter were copies of seven mining claim amendments filed with the BLM on February 13, 2012, for High Load #1, #3, #4, #5, #6, #7, and #8. These amendments were filed by Jerry Hedgpeth, who paid a \$10 per document processing fee. A search of BLM records at that time revealed that only one of these claims had been recorded with the BLM, High Load #1, AMC410767. This claim was located by Jerry and Matt Hedgpeth on August 11, 2011, and recorded with the BLM on September 14, 2011. The amendment for this claim was processed. There were no claims in BLM records that corresponded to the other six claims listed on the other six amendments. It is noted in the case file that a phone conversation with Mr. Hedgpeth revealed that he had meant to record the documents as new mining claim locations rather than amendments. However, the documents all have "Amendment" written across the top and only a \$10 per document processing fee was received. A new location notice has a total fee of \$194 per claim. In accordance with 43 CFR 3833.21(a)(1) "You may amend a notice or certificate of location only if the BLM recognizes the original location as a properly recorded and maintained mining claim or site." Therefore, the documents could not be processed and \$60 was refunded to Mr. Hedgpeth.

On June 5, 2012, four mining claims were located and recorded with the BLM by Jerry and Matt Hedgpeth, AMC423381, AMC423382, AMC423710, and AMC423711 (HI LOAD #6, #7, #8 and #9 respectively). Jerry and Matt Hedgpeth were the only two locators listed on these location notices.

The claim you specifically mentioned in your inquiry, AMC402474, was located on September 27, 2010, and recorded with the BLM on October 21, 2010, by Tim Boadway. On August 28, 2012, a quit claim deed transferring ownership of this claim to Clark Relyea was filed. The notarized signature of Tim Boadway is on the quit claim deed.

All of the documents related to these claims have been reviewed by the BLM and appear to be in proper order. The BLM must accept all proper recordings, including those from rival claimants. In *W. W. Allstead*, 58 IBLA 46, 48 (1981) the Interior Board of Land Appeals (IBLA) said:

The Department is without authority to determine the question of right of possession to claims as between rival claimants. A suit filed in a court of competent jurisdiction is the proper method of resolving such disputes. *John R. Meadows*, 43 IBLA 35 (1979).

As stated in *Alvin L. Kile*, 97 IBLA 6, 7 (1987):

The BLM must abide by the judgment of the Court in the settlement of a dispute between rival claimants and must not become the forum for resolution of private party disputes between rival mining claimants. If the Court declares the mining claims or sites abandoned, a decision should be issued to that effect and the case file closed.

If you have disputes of ownership with Jerry and Matt Hedgpeth regarding these mining claims the proper forum for resolution is in a court of competent jurisdiction. The BLM will abide by the decision of the Court.

If additional information is required, please contact Amy Thrower, Supervisory Land Law Examiner, at 602-417-9334.

Sincerely,

/s/ Julie A. Decker / /

- Mill or tunnel sites.
- Claim(s) was located during the current assessment year.
- BLM has deferred assessment work (attach copy of decision granting deferment, or pending petition for deferment including date petition was filed.)
