**TO: BANKS, SAVINGS AND LOAN ASSOCIATIONS, BROKERAGE
HOUSES, TITLE COMPANIES AND OTHER FINANCIAL
INSTITUTIONS**

JOHN R. PRICE and VALERIE PRICE hereby certify that on December 21, 1994, as amended September 29, 2006, JOHN R. PRICE and VALERIE PRICE, as Settlers, transferred to JOHN R. PRICE and VALERIE PRICE, as Trustees of THE PRICE REVOCABLE LIVING TRUST, certain items of real and personal property. The Identification Number of this Trust is the Settlers' respective Social Security Numbers: 563-58-6506 and 524-54-8977. The Settlers appoint CORNELL DIEGO PRICE and SHANNON GREGORY PRICE to serve together as Successor Co-Trustees, or the Survivor of them.

A. The Settlers have given the Trustees broad powers with respect to financial transactions, including the opening of checking and savings accounts in banks and savings and loan associations, and to make and control investments. An exact reproduction of the provisions of the Trust relating to Trustee powers are set forth below. Either Settlor may act individually as Trustee.

B. All assets should be transferred to JOHN R. PRICE and VALERIE PRICE, as Trustees of THE PRICE REVOCABLE LIVING TRUST, u/d/t December 21, 1994, as amended September 29, 2006.

C. The dispositive provisions of the Trust create no vested interest in any persons other than JOHN R. PRICE and VALERIE PRICE. The attorney signature on this Certificate confirms this fact.

TRUSTEE ADMINISTRATIVE AND INVESTMENT POWERS

A. Introduction to Trustee Powers. Except as otherwise provided in this agreement, our Trustee shall have both the administrative and investment powers enumerated under this Article and any other powers granted by law with respect to the various Trusts created by this agreement.

B. Power to Delegate Ministerial Duties. This power allows the Trustees to delegate to either one of the Trustees or to any non-Trustee any non-discretionary power, including the power to (singularly or jointly) open bank accounts and savings and loan association accounts, sign checks or withdrawal slips, give instructions for the receipt or delivery of securities or other property, give instructions for the payment or the receipt of money, and (singularly or with others) have access to any safe deposit box or other place with property of the Trust created pursuant to this Trust as deposited.

C. Powers to be Exercised in the Best Interests of the Beneficiaries. Our Trustee shall exercise the following administrative and investment powers without the order of any court, as our Trustee determines in its sole and absolute discretion to be in the best interests of the beneficiaries. Notwithstanding anything to the contrary in this agreement, our Trustee shall not exercise any power in a manner inconsistent with the beneficiaries' right to the beneficial enjoyment of the Trust property in accordance with the general principles of the law of Trusts.

D. Power to Purchase Discount Treasury Bonds. The Trustee shall have the power to purchase, at less than par, obligations of the United States of America ("flower bonds") which are redeemable at par in payment of federal estate tax liability of a Settlor's estate in such amounts as the Trustee deems advisable. For this purpose, the Trustee may partition property in the Trust Estate and may make such purchases from such partitioned property. The trustee may borrow funds and give security in order to effect a purchase and shall resolve any doubt concerning either the desirability of making the purchase or its amount in favor of making the purchase and in purchasing a larger amount than may be necessary. The Trustee shall incur no liability for losses resulting from a decision either to purchase or not to purchase, which is made in good faith. The Trustee is directed to use such bonds to the fullest possible extent in paying the federal estate tax obligation of a Settlor.

E. Administrative and Investment Powers. Our Trustees are hereby granted the following administrative and investment powers:

1. Business Powers. Our Trustee may retain and continue any business in which we have or had an interest as a shareholder, partner, sole proprietor, or as a participant in a joint venture, even though that interest may constitute all or a substantial portion of the Trust property. In order to administer the interest, our Trustee may:

(a) Directly participate in the conduct of any such business or employ others to do so on behalf of the beneficiaries.

(b) Execute partnership agreements, buy-sell agreements, and any amendments to them.

(c) Participate in the incorporation of any trust property, any corporate reorganization, merger, consolidation, recapitalization, liquidation, dissolution, or any stock redemption or cross purchase buy-sell agreement.

(d) Hold the stock of any corporation as trust property, and may elect or employ directors, officers, employees, and agents, and compensate them for their services.

(e) Sell or liquidate any business interest that is part of the trust property.

(f) Carry out the provisions of any agreement entered into by us prior to our deaths for the sale of any business interest or the stock thereof.

(g) Exercise all of the business powers granted in this agreement regardless of whether our Trustee is personally interested or an involved party with respect to any business enterprise forming a part of the Trust property.

2. Common Fund Powers. For the purpose of convenience with regard to the administration and investment of the Trust property, our Trustee may:

(a) Hold the several Trusts created under this agreement as a common fund.

(b) Make joint investments with respect to the funds comprising the Trust property.

(c) Enter into any transaction authorized by this Article with fiduciaries of other Trusts or estates in which any beneficiary hereunder has an interest, even though such fiduciary is also Trustee under this agreement.

3. Compensation Powers. Our Trustee shall pay from income or principal all of the reasonable expenses attributable to the administration of the respective Trusts created in this agreement, including:

(a) Reasonable compensation for its services as fiduciary as provided in this agreement; and

PHOENIX, ARIZONA

(b) Reasonable compensation for those persons employed by our Trustee, including agents, auditors, accountants, and attorneys.

4. Distribution Powers. Our Trustee is specifically authorized to make divisions and distributions of the Trust property either in cash or in kind, or partly in cash and partly in kind, or in any proportion it deems advisable.

Our Trustee shall be under no obligation or responsibility to make pro rata divisions and distributions in kind.

Our Trustee may allocate specific property to any beneficiary or share although the property may differ in kind from the property allocated to any other beneficiary or share.

The foregoing powers shall be exercised regardless of the income tax basis of any of the property.

5. Income and Principal Powers. Our Trustee may determine in a fair, equitable, and practical manner how all Trustee fees, disbursements, receipts, and wasting assets shall be credited, charged, or apportioned between principal and income.

Our Trustee may set aside from Trust income reasonable reserves for taxes, assessments, insurance premiums, repairs, depreciation, obsolescence, depletion, and for the equalization of payments to or for the beneficiaries; it may select any and all accounting periods with regard to the Trust property.

6. Investment Powers in General. Our Trustee may invest and reinvest in such classes of stocks, bonds, securities, or other property, real or personal, as it shall determine.

Our Trustee may invest in investment Trusts as well as in common Trust funds.

Our Trustee may purchase life, annuity, accident, sickness, and medical insurance on the behalf of and for the benefit of any Trust beneficiary.

7. Power to Invest in Commodities and Futures. Our Trustee is empowered to buy, sell, trade and deal in options, precious metals, stocks, bonds and securities of every nature (including "short" sales and speculative option transactions - i.e. uncovered puts and calls, option spreads, option straddles, and option combinations) and commodities of every nature, and contracts for the future delivery of commodities of every nature on margin and otherwise; and for such purpose to maintain and operate margin and commodity accounts with brokers; and in connection therewith to borrow money and to pledge any and all stocks, bonds, securities, commodities and contracts for the future delivery thereof, held or purchased by our Trustee, with such brokers as securities for loans and advances made to our Trustee.

8. Life Insurance Powers. Our Trustee shall have the powers with regard to life insurance (except as otherwise provided in this agreement):

(a) To purchase, accept, hold, and deal with as owners, policies of insurance on our lives, the life of any Trust beneficiary, or on the life of any person in whom any Trust beneficiary has an insurable interest.

(b) To execute or cancel any automatic premium loan agreement with respect to any policy and shall have the power to elect or cancel any automatic premium loan provision in a life insurance policy.

(c) To borrow money with which to pay premiums due on any policy either from the company issuing the policy or from any other source and may assign any such policy as security for the loan.

Since local and State laws may vary, you should contact your local and State agencies where the claims are located to ensure all applicable laws and requirements are satisfied.
2. The claimant(s) must fill in the date in paragraph 1 for the applicable assessment year and the county and state where the claims are located.
3. All claim names, BLM serial numbers, legal descriptions, and original county recording information must be listed for the claims pertaining to this assessment notice.
4. The claimant(s) must complete paragraph 2 listing all labor or improvements which was performed on or did benefit the subject mining claims. The value and date of the labor or improvements must also be listed. The total amount of labor or improvements can be listed, but the total expenditure must equal at least \$100 for each claim.
5. The names and current mailing addresses of the person(s) performing the labor shall be listed in paragraph 3.
6. The name and current mailing address of each owner (claimant) of the claims shall be listed in paragraph 4. The mailing address shall be the owner's address and not the address of an agent or anyone representing the claimant. Be sure to note if there has been a change of address.
7. Paragraph 5 shall be completed to show the date it was verified that all monuments required by law were properly erected, all notices were posted, and that corners were appropriately designated for all claims listed.
8. An exact legible reproduction or duplicate (other than microfilm or other electronic media) of this affidavit or another type of affidavit of assessment work that you file or will file in the county where each claim is located, must be filed with the BLM on or before December 30 of the calendar year in which the assessment year ends. NOTICES

THE PRIVACY ACT and 43 CFR 2.48(d) require that you be furnished with the following information in connection with the information requested by this form.

AUTHORITY: 30 U.S.C. §28-28d and 43 CFR part 3835 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to document compliance with 43 U.S.C. 1744 and that assessment work has been completed in accordance with 30 U.S.C. § 28-28d and 43 CFR part 3835 in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USES: The BLM will only disclose this information in accordance with the provisions at 43 CFR 2.56(b) and (c).

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of the requested information is required by 30 U.S.C. § 28-28d and 43 CFR part 3835 for claimants qualified to perform assessment work in lieu of paying the maintenance fee. Failure to submit all the requested information or to complete this form will delay the BLM's processing of the form and may preclude the BLM's acceptance of the assessment work information, which may result in forfeiture of the mining claim(s) by the claimant.

THE PAPERWORK REDUCTION ACT requires us to inform you that:

Use of this form is optional. You must perform assessment if a waiver to pay the maintenance fee has been requested. This form is provided to help you attest that annual assessment work has been completed in lieu of paying the maintenance fee for your claim(s). Submission of the requested information is necessary to obtain or retain a benefit.

You do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a valid OMB control number.

BURDEN HOURS STATEMENT: The estimated public reporting burden for this form is 30 minutes per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form.
