Hi, Mr. Denneus.

You will receive a certified Notice soon that explains the reason your amendments of July 28th of this year were not accepted.

I sent you an email June 20, 2014, that explained why your initial amendments for AMC425950 and AMC425951 were not accepted. You will receive a Notice explaining those amendments were not accepted. Unfortunately, AMC425950 and AMC425951 will be closed because the amendments were required and the claims not properly amended within the 30 day response period. The amendments filed July 28, 2014, were also filed incorrectly - and for the same reason. However, because you were not required by Notice to amend those claims, the claims are not closed because of an unacceptable amendment.

Please contact me at your convenience and I will be happy to explain what is required to file an acceptable amendment to any of your claims. BLM does not want you to lose time, money, and claims because of this misunderstanding.

Sincerely,

Rod Ebert
Senior Land Law Examiner
