### Mining Claim Location Notices – Corrections Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, this office received your notice(s) of location for recordation of mining claims. In accordance with 43 CFR 3832.11 and 3832.12, the claim(s) listed above are not properly located. Because they are not properly located we cannot record them as filed. They must be corrected as noted below or they will be declared null and void ab initio.

There were no maps of the mining claim locations provided. You must clearly show on a map or sketch, the boundaries of the claim. The map should clearly mark the boundaries of both the **section** and **quarter section** and should depict **where** within the quarter section the claim lies. The map should be accurate enough for BLM to identify the mining claims or sites on the ground.

You must provide the requested information for each claim listed above to correct the defects. Please do this by providing a copy of your location notice with the appropriate corrections, and note at the top of the form that it is a "Corrected Copy of Location Notice". If it is only the map
