RE: Campwood Mining Claim

Dear Mr. Keller

I have received your proposed Plan of Operations (Plan) dated August 1, 2018 regarding placer mining on your Campwood mining claim. Your Plan includes using a metal detector, small screens, gold pan, and shovel in Township 6 North, Range 5 East, Section 25. Your Plan meets criteria for a Notice of Intent (NOI) and has provided sufficient information to determine the extent of your operations and the scope of environmental disturbance associated with your proposal.

Per 36 CFR 228.4(a), I have determined that significant surface disturbance is not anticipated to result from your proposed activities as described. I acknowledge your NOI as described and no plan of operations or reclamation performance bond will be required; this is with the understanding that activities you described are confined to the wash and avoids wildlife and vegetation. If I have misunderstood your proposal or you need to amend the Plan, please contact Alex Mankin at the number below.

Activities are acknowledged to occur through December 31, 2019.

Please contact Alex Mankin, Geologist, at Globe Ranger District office of Tonto National Forest, at (928) 402-6200 or amankin@fs.fed.us, upon completion of the project or if you have any further questions.

Sincerely,

MICAH GRONDIN
District Ranger
