# INITIAL MAINTENANCE AND LOCATION FEES DUE

The initial maintenance and location fees were refunded in error on the mining claims listed above. Notice is hereby given that these fees must be repaid within 30 days of the receipt of this Notice or the claims will be declared forfeit.

On October 14, 2014, a debit was made to the credit card of Herbert Kuter for location and maintenance fees paid on newly filed mining claims for AMC425592 - AMC425595 and AMC427392 - AMC427394. These claims had been adjudicated as null and void ab initio. Mining claims determined to be null and void ab initio are eligible to have the initial location and maintenance fees refunded. The refund was calculated as follows: a \$34 location fee x 7 claims for \$238 and \$140 maintenance fee x 7 claims for \$980. The total refund calculated and refunded was \$1,218.

Upon review, it was determined that only 3 claims (AMC425594, AMC425595, and AMC427394) of the 7 claims were null and void ab initio and only those 3 claims warranted a refund of location fees (\$34 x 3) and maintenance fees (\$140 x 3) for a total refund of \$522. Therefore, a total of \$696 for those location fees (\$34 x 4=\$136) and maintenance fees (\$140 x 4=\$560) refunded for AMC425592, AMC425593, AMC427392, and AMC427393 must be repaid in full within 30 days of receipt of this Notice or the claims will be declared forfeit.

#### **DECISION**

LEWIS PIPKIN 2105 CAMINO RIO FARMINGTON, NM 87401-8147 This decision affects those claims shown

in the block below.

AMC425592 GB #1

# MINING CLAIMS DECLARED FORFEIT

The mining claims listed above have been declared forfeit as of September 1, 2014, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$155 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. In accordance with 43 Code of Federal Regulations (CFR) 1822.14, because September 1, 2014, fell on a holiday, the payment was due the next business day, September 2, 2014. These requirements were established by 30 U.S.C. 28f-l, as amended, and 43 CFR 3834 and 3835.

Our records do not show receipt of a maintenance fee payment or small miner waiver filed on or before the due date. Therefore, the claims listed above are forfeit.

#### **Reclamation Requirements**

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management

regulations. For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the non-compliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

#### **Appeal Procedures**

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

#### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call RéAnn Myers at 602-417-9413.

Sincerely,

Re: Error in Refund Amount

AMC 425594 - 595 and AMC 427394 were null and void ab initio. Herb Kuter, the payee, requested a refund of the maintenance and location fees paid for the initial filing of the claims.

An error was made in the refund. There were a total of 7 claims filed for the 2 casefiles and a refund was authorized and finalized for all claims instead of just the 3 null and void claims. Mr. Kuter will be contacted and informed of the overage amount of the refund he received and that he must remit \$696 to cover the maintenance and location fees for AMC425592-593 and AMC427392-393.
