Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

There is a discrepancy on your location notice. The legal description for your claim is: E2NWNE. The map depicts your claim running east-west in the S2NE. Also, the claim is not depicted as an aliquot parcel on the claim map. The claim map and legal description should match. If the legal description is incorrect and the map is correct, then a \$10 amendment is required. If the legal description is correct and the map needs to be corrected, then there is no fee required to file an amended map.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

Discrepancies Noted on Location Notice(s)

Pursuant to Title 43 Code of Federal Regulations 3832.1, this office received your notice(s) of location for recordation of mining claims.

However, the following discrepancies were noted:

- The legal description on the location notice does not match the depiction of the claim on the map. We have described the claim in our system according to the map. Your legal description is E1/2NW1/4NE1/4.

There is a \$10 processing fee for an amendment. If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC number(s) on all correspondence.
