Maintenance Fee Waiver Held for Rejection

This office received the Maintenance Fee Waiver Certification (waiver) for the above listed mining claim(s). The waiver is not properly completed and does not meet the annual filing requirements.

In accordance with 43 Code of Federal Regulations (CFR) 3835.10, the name, address, and original signatures of all owners of the mining claim must be included on the waiver form. Please correct the discrepancy as noted below:

The person signing a waiver on behalf of a company should always include on the signature line, information noting in what capacity they are signing (i.e. President, Secretary, Agent, Personal Representative, etc.). Your 2015 waiver document is missing this vital information. If an agent has Power of Attorney to sign, they should identify themselves as signing on behalf of an owner or company and should always include a copy of the power of attorney document.

In order to correct the defect in the waiver, per 43 CFR 3835.93, you must provide this office with the requested information within 60 days of your receipt of this notice. If you are unable to provide this information, you have the option of paying the annual maintenance fee of \$155 per claim (\$155 per 20 acres for placer claims larger than 20 acres). If we do not receive the requested corrections within the 60 day time frame, the claim(s) will be declared forfeited and closed.

Please include your AMC serial number on all correspondence. If additional information is required, please contact Pauline Brown, at 602-417-9360.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Heick".
