Mining Claims Declared Forfeit
Required Amendment Not Filed

*Decision sent in error.
Amendment 2 processing
fee were rec'd timely.
(thought processing fee rec'd
late.)*

In accordance with 43 CFR 3830.94, the mining claim listed above is hereby declared forfeit for the reason indicated below.

You received a Notice requiring that the mining claims (AMC435950 – AMC435955) filed in this office on January 11, 2016, be amended. The amendments were required to be filed within 30 days of the date you received the Notice. This office did receive amendments for AMC435950 and AMC435953 through AMC435955. Processing fees are \$10 per amendment. This office received \$30 with the amendments on June 30, 2016, the last day for the amended location notices and processing fees to be received timely. The 30 day timeframe allowed expired and the amendments were processed in numerical sequence. Therefore, there were insufficient fees to process the amendment for this claim and it is declared forfeit.

RE

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on land encompassed by your mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, the BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, the BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700. If your occupancy has been terminated and you fail to remove structures, material, and equipment, and any personal property in accordance with the regulations in 43 CFR 3715.5-1, the BLM may dispose of the property. In accordance with 43 CFR 3715.5-2, you will remain liable for the costs the BLM incurs in removing and disposing of the property.

Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993), for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.

Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claims listed above cannot be accepted as filed and must be amended as noted below.

There is no metes and bounds description for the claim. A tie-in was provided from a section corner to a claim corner. However, the mining claim also needs to be described by metes and bounds from corner to corner.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section.

An amendment must be filed for each claim listed above to correct the defects identified. There is a \$10 BLM processing fee for each amendment. The amendments must be received by BLM within 30 days of your receipt of this notice. If the amendments are not received within the 30 day timeframe the mining claims will be declared null and void.

If additional information is required, please contact Rod Ebert at 602-417-9397. Please include your AMC serial number(s) on all correspondence.
