AUTHORITY: 30 U.S.C. 28f and 43 CFR part 3835 permit collection of the information requested by this form.

I spoke to Matthew by telephone; I told him I was unable to process the second amendments (rec'd May 2, 2017), because he marked both SE and SW of Sec 3 for each claim. He said he was not exactly sure where the claims were; he might try to come to the State office someday to discuss his claims with someone, and to see if they can help pinpoint the exact section area his claims are in.
