Dear Sir/Mam,

Included in this packet is a series of claims that were located with metes and bounds due to intervening patented and wilderness land. The claims were located to fit within the PLSS system and are shaped to avoid overclaiming non-mineral ground. One claim "Morgan" was located in the normal manner due to no intervening non-mineral lands. If you have any issues with the notices or questions feel free to call my cell at (520) 468-8485.

Thanks

Kevin Krogh
