BLM AZ STATE OFFICE

Dear Ms. Fink,

You make assertions that we have not filed our claims correctly and your letter is misleading.

In the claim form under the section of acre, we clearly claim 20 acres. You state that the provided legal description claims 40 acres. In that section on the claim form, its the general location of the claims, not the formal location. You also state that if the claims are located in a unsurveyed section we need to state this.

We are claiming under the General Land Office (GLO) description of T10N R2E most of the Township is unsurveyed. The provided map with the claim filing shows a projected outline of Section 21, but there are no found corners. The GLO does not have GPS locations for any of the corners, nor a description of any survey of Section 21. The only survey notes provided in the GLO are the eastern Township boundary.

You claim that a % steepness is required to be greater than 60. Steepness is not defined in the legal code or engineering. The only legal use of percent in any engineering or geological usage is based on Percent Grade, where a slope of 45 degrees is 100%.

So, we are claiming from the claim map provided with the claim papers you can see that slope is greater than 45 degrees. We have also provided a photograph of the Central portion of the claims.

So, per 43 CFR 3832.12(c)(1) the claims are located in an unsurveyed section of land and the claims are located in a gulch with steep side with slopes that are greater than 100% grade.

We therefore do not have refile the claims.

Sincerely,

Jim Sheldon

Bureau of Land Management

Dear Jim,

Your friend Brian Beck came into the AZ State Office of the Bureau of Land Management on September 4, 2018. He filed two mining claims for you **AMC452207** and AMC452208. Unfortunately I undercharged him for the maintenance fees on those claims. There is an additional \$20 due on the transaction.

4254008

I have attached my business card. Could you please give me a call, or ask Mr. Beck to call me, with a credit card to pay the additional fee?

Thank you,
