## MINING CLAIM(S) DECLARED FORFEITED

The mining claim(s) listed above has/have been declared forfeited as of September 1, 2020, for failure to timely file the required maintenance fee payment or small miner's maintenance fee waiver (waiver).

Claimants are required to pay an annual non-refundable maintenance fee of \$165 per 20 acres or portion thereof, or submit a waiver, on or before September 1 of each year. These requirements were established by 30 U.S.C. 28f-1, as amended, and 43 Code of Federal Regulations (CFR) 3834 and 3835.

Our records show receipt of a maintenance fee payment; however the payment was insufficient to cover the claims listed. Therefore, the claim(s) listed above is/are forfeited.

### Reclamation Requirements

This decision does not relieve you of the liability for reclamation of all areas disturbed by your activities on lands covered by the subject mining claim(s) and/or site(s). After you complete the reclamation, you must notify the authorized officer of the appropriate surface managing agency so that the authorized officer may conduct a final site inspection and determine whether you may be released from liability. If you fail to reclaim the land to the satisfaction of the authorized officer, the surface management agency may cite you for noncompliance under its surface management regulations.

For land administered by the Bureau of Land Management (BLM), if you fail to reclaim the land to the satisfaction of the authorized officer as required in 43 CFR Subpart 3809, BLM will issue an order of noncompliance under 43 CFR 3809.601(a). If you fail to comply with the noncompliance order, BLM may take further action under 43 CFR 3809.604. Failure to conduct reclamation is a prohibited act that may subject you to criminal penalties. See 43 CFR 3809.605(h) and 43 CFR 3809.700.

### Appeal Procedures

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulation 43 CFR 4.21 (58 FR 4939, January 19, 1993) for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

### Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

Please include your AMC serial number(s) on all correspondence. If additional information is required, please call RéAnn Myers at 602-417-9413.

## Maintenance Fee Increased from \$155 to \$165 - Additional payment is due.

Good Afternoon,

I tried to call you today concerning an increase in the maintenance fee payment for Mining Claims. AMC452348 (MARCOS GOLD #8) is held by Jerry Fedor.

Your telephone is not set up to receive voice messages.

The Bureau of Land Management sent out flyers about the most recent increase in Maintenance fees (now \$165) and POL/NOI/Transfers/Amendments (now \$15 each).

A payment of \$155 was received by our office on 9/4/2019, Receipt #4555111 (post marked timely on August 29, 2019). The money was applied towards the annual maintenance fee payment which is due each year before September 1. You submitted an NOI form (Form: MCF110) for this claim but the NOI form was not necessary since you are paying the maintenance fees.

The only time you would submit an NOI form is when you choose to switch to filing a Waiver (if you qualify).

Due to the \$10 per claim/per each 20 acre increment increase, you now must pay the shortage of \$10.

Please send in the payment as soon as possible. Or, you can pay the shortage of \$10 by credit card, by calling our Public room at 602-417-9200. Our Public room hours are M-F from 9am to 4pm.

This is for the following Mining Claim: AMC452348 (MARCOS GOLD #8).

If you have any questions or concerns, please do not hesitate to contact me at 602-417-9360.

Thank you kindly,

--
