### SEVERED CLAIM INFORMATION

A Quit Claim Deed (QCD) has been processed transferring to you a PORTION of mining claim AMC 452291.

This is called a severed claim because a portion of a larger claim (the parent claim) has been severed to create a new claim.

**YOUR NEW MINING CLAIM SERIAL NUMBER IS AMC 453366**

Please use this new AMC number when paying your maintenance fee or contacting BLM regarding your claim. (The AMC serial number on the QCD is NOT your claim number.)

Your maintenance fees, which are currently \$155 per year per 20 acres, are due on or before September 1 each year.

Please be aware that if the parent claim is under a small miner waiver for the current assessment year, (even though it was filed by the previous owner) it remains in effect for your portion of the claim. This requires that you MUST file an Affidavit of Labor for your claim on or before December 30 for the current assessment year. Even if you pay the maintenance fee on September 1 for the upcoming assessment year, you MUST file an Affidavit of Labor by December 30 to verify that the work was done on the claim for the current assessment year, for which a waiver of the maintenance fees was requested.

If you or your co-owners own 10 or more mining claims nationwide, you do not qualify for a small miner waiver. If the claim is under a waiver and you do not qualify for the waiver, you must pay the maintenance fee for the current assessment year on or before September 1, at which time the maintenance fee for the upcoming assessment year would also be due.
