An amendment for the claim(s) listed above was received by the Bureau of Land Management (BLM) Arizona State Office. The amendment(s) cannot be processed for the following reason:

Our office received an amendment for your claim. It appears the amendment is exactly the same as the original location notice. There was a note attached to the amendment that stated a different section than that on the location notice, section 13 instead of section 10. If the claim is in section 13 (and it was not moved on the ground), please indicate section 13 on the amended location notice and state on the cover letter that the initially filed location notice had a mistake.

If appropriate, please submit a corrected amendment or additional fees, within 30 days of your receipt of this notice. If the required information is not received within the 30-day timeframe, the amendment(s) will not be processed, and the BLM will retain the non-refundable processing fees submitted.

Mining Claim Location Notice(s) – Amendment(s) Required

Pursuant to Title 43 Code of Federal Regulations (CFR) 3832.1, the Bureau of Land Management (BLM), Arizona State Office, received your notices of location for recording mining claims. In accordance with 43 CFR 3832.12, the claim(s) listed above cannot be accepted as filed and must be amended as noted below.

Your claim is not described by a metes and bounds description. A metes and bounds description is needed to accurately plot your claims. Please note that GPS coordinates/latitude and longitude coordinates are not accepted by the BLM in place of metes and bounds descriptions and tie-ins for a mining claim.

In accordance with 43 CFR 3832.12 a lode claim must be described by metes and bounds and include a tie to a permanent monument such as a section quarter corner monument. All claim descriptions must include state, meridian, township, range, section and by aliquot part to the quarter section.
