## ADDITIONAL INFORMATION REQUIRED

According to Bureau of Land Management (BLM) records, the land on which you located your mining claim was withdrawn under Secretarial Order dated, March 27, 1943, for the Hassayampa Project. Document 14, Restoration to Mineral Location, Entry and Patent of Lands Withdrawn for Reclamation Purposes, dated November 12, 1954, opened the land, subject to stipulations, to Mineral Location, Entry, and Patent.

Therefore, in order to hold this mining claim, you must agree to abide by the stipulations as set forth in the Order. Please read the enclosed Order and the stipulations. If you agree to abide by the stipulations, you **must** have your signature notarized on the enclosed Statement of Agreement and return it to the BLM within 30 days from the date you received this Decision. You must also file the signed and notarized Statement of Agreement with the county in which the claim is located. If we do not receive the signed and notarized Statement of Agreement within the 30 day timeframe your claims will be forfeited and void.

Please include your AMC serial number on all correspondence. If additional information is required, contact Pauline Brown at 602-417-9360.
