Hello,
Please forgive me I am totally new to this. I mainly wanted to send this note due to a few small conflicting reports I had gotten. Long story short at the BLM's recommendation I was told to check with Mohave County recorders office to see if the land I want to placer mine has any recorded activity in the past 90 days. I spoke with a man named Ryan, gave him all the info on the particular section, range, township information and he said nothing has been recorded since 2018. He told me if the BLM grants me a permit to placer the area to bring in any documentation and he would get it publically recorded.

Thank you all

Greg Carson
