I, Richard Grids

do solemnly swear that I will well and truly perform the duties of Deputy U.S. Mineral Land Surveyor according to instructions given me, and to the best of my skill and ability.

Richard Grids

Sworn to and subscribed before me this 1st day

of October 1875

Caldwell Wright
County Recorder

Territory of Arizona } ss.
County of Mohave }

John Seew being first duly sworn deposes and says that he is one of the original locators of the Schuectady mine and made the location and built the monument, that said mine is situated in Wallopai Mining District Mohave County, Arizona Territory, and said monument was on the north end of said claim and had to be removed on account of sinking the shaft on said mine, and said north shaft is within a few feet of where said monument was placed.

And deponent further states that he is in no manner interested in said mine

James Brown and Mc Key Raney being duly sworn each for themselves and not one for the other, that they are acquainted with the Schuectady claim, and have known the same since the month of April A. D. 1872, and that the monument has not in that time been displaced, except as to the removal to make place for shaft and the boundaries have not been moved in that time.

Affiants further say that they are in no way interested in said claim and that said claim is free from all disputes and adverse claimants to the best of affiants knowledge & belief
