The Tranquillity Mining Claim lies between the well known Toughnut & Contentment Mining Claims of the Tombstone M. D., Pima County, Arizona Territory. The road leading from the new City of Tombstone to the Contentment M. C. passes nearly parallel, and within 100 ft. of the S. W. endline of said mining claim.

The Tranquillity M. C. is claimed by its first discoverers and locators Messrs. Josiah H. White & Wm C. Parsons. I learned from Mr. J. H. White, who and his foreman pointed out to me the original monuments, that the "Tranquillity" was claimed and monumented as a full claim - (600 ft. x 1500 ft.) - previous to the other mining claims now surrounding it. All the work on the Tranquillity Claim - viz. sinking 1 Mainshaft & 1 Prospect Shaft & making 2 cuts - has been done by the claimants Messrs. J. H. White & Wm C. Parsons. I herewith certify that said improvements represent an expenditure of \$ 933.60 cts. - all of which is most respectfully submitted. Gillesville, Pima Co., A. T., March 8, 1880. J. H. Friedlander. U.
