Notice!

In order more fully to comply with the mining laws of the United States in reference to locating mining claims with reference to some natural and permanent object, I have this the 12<sup>th</sup> day of July a. D. 1876. relocated this Lead, Lode or Deposit of Copper bearing ore, retaining the original monuments and boundaries and described as follows - Commencing at a monument of stone, which monument is situated on the brow of a hill about 1200 feet west of where the two Canyons known as 'Twin Canyons' meet, and 120 feet southwest from a Cedar tree on which is cut "120 ft. S. W." and running thence about 20 degrees north of east, 1500 feet to a monument of stones; together with 300 feet on each side of said Lead, Lode or Deposit, making this claim 1500 feet long and 600 feet wide; the corners of this claim being marked by monuments of stones, I claim on this location all the privileges granted under the Mining Laws of the United States. This claim shall be known as the 'Boulder Mine'.
