UNITED STATES DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
ARIZONA STATE OFFICE

9632.27 (942)
M.S. 361

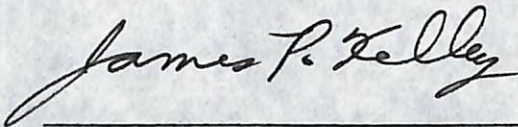

NOTICE OF CANCELLATION OF MINERAL SURVEY

The Apache lode, M.S. No. 361 in section 20, T. 11 S., R. 16 E., Gila and Salt River Meridian, Arizona, is hereby cancelled.

This claim has not been filed with the Arizona State Office, Bureau of Land Management, in accordance with Section 314 of 43 U.S.C. 1744.

This cancellation was necessitated by a need to prepare a supplemental plat requested by the Lands Forester, Coronado National Forest, to facilitate a land exchange.

Thence I run

Var. 12° 30' E.

N. 12° 10' W.

205 To easterly center end of claim the place of beginning the survey of the exterior lines. Containing an area of 9.30 acres exclusive of the area of 0.50 acres. in conflict with the Midas M.C.

4
7
feet Field - Notes of the survey of
the Apache Mining Claim.

Lot No. 37, which is not claimed,

General Description

This claim is situated on the
Eastern slope of the Santa
Catalina Mountains near
Lee and Weldons trail, and
about $\frac{1}{4}$ of a mile southerly of
Marble Peak and about 300
yards westerly of Rattlesnake
Creek.

The work and improvements
made upon this claim, by the
applicants and their grantors
consists of a cut, Tunnel shaft
as represented in the foregoing
field-notes, and exceeds in
value the sum of \$500.

Note.

The local attractions of the
needle made it impossible
to close the survey by the ordinary
method, I therefore measured
the inclosed angles bet. lines,
and reduced same to bearings.

George J. Roskrug

U. S. Dep. Min. Surveyor.

FINAL OATHS FOR SURVEYS OF MINING CLAIMS & MILL SITES.

A LIST of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of The Apache Mining Claim located in The Old Flat Mining District, Pima County, Arizona, showing the respective capacities in which they acted.

Amended Location Notice
Apache Mill Site

The San Catalina Copper Com-
pany, a corporation organized
and existing under the laws of
the State of New York, is now
the owner of the Apache Mill
Site, and in order to more ful-
ly define said mill site and
the boundaries and locus there-
of hereby amend the location
notice of said Mill Site so
that the same shall read as
follows,

Notice is hereby given that the
undersigned in compliance with
the requirements of the Mining
Act of Congress, approved May
10th 1872 has this day located and
claim Five acres for a Mill
Site situated in Old Hat Mei-
ning District Pima County
Arizona Territory, and more
particularly described as fol-
lows, to wit,

Commencing at a monument
of stones at the center of said
Mill Site where a copy of

the location notice is posted;
thence North 233, 4 feet to a
monument of stones the center
of the North end of the claim;
thence West 233, 4 feet to a mon-
ument of stones; thence South
466, 8 feet to a monument of
stones; thence East 466, 8 feet
to a monument of stones;
thence North 466, 8 feet to a
monument of stones; thence
West 233, 4 feet to the middle
of the North end of the claim.

This claim is situated on the
Eastern slope of the Santa Cat-
arina mountains, about one
~~fourth~~^{half} of a mile Southerly
from Marble Peak, about 1200
feet Southerly from the Apache
mine, and about 500 feet be-
low Lee & Wilsons trail, and
shall be known as the Apache
mill site.

W. S. Duell

County Recorder.

NON-MINERAL AFFIDAVIT.

TERRITORY OF ARIZONA,)

County of Pima) ss.

Frank M. Drake and Frank B. Stevens of said County and Territory, being first duly sworn, each for himself and not one for the other, deposes and says that he is well acquainted with the land of the Apache mill-site claim situated in The Old Hat Mining District Gila and Salt River Meridian, in the County of Pima and Territory of Arizona, claimed by The San Catarina Copper Co applicant for United States patent therefor; that he is well acquainted with the character of said described land included within the boundary lines as officially surveyed by George J. Roskrug United States Deputy Surveyor, having frequently passed over the same; that his knowledge of such land is such as to enable him to testify understandingly with regard thereto; that there is not to his knowledge within the limits thereof any vein or lode of quartz or other rock in place bearing gold, silver, cinnabar, lead, tin or copper or any deposit of coal; that there is not within the limits of said land, within his knowledge, any placer, cement, gravel or other valuable mineral deposits; that no portion of said land is claimed under the local customs or rules of miners or otherwise; that no portion of said land is worked for minerals during any part of the year by any person or persons; that said land is essentially non-mineral land, and that there is within the boundaries of said claim improvements, to-wit: a 30 Ton Water Jacket Smelter - Assay Office, Superintendents Office & Boarding House built of Wood 30 x 40 feet - and that he has no interest whatever in said described mill-site claim.

Frank M. Drake.Frank B. Stevens.

SUBSCRIBED AND SWORN to before me this Twentieth day of March A. D. 1882; and I hereby certify that the foregoing affidavit was read to the said Frank M. Drake and Frank B. Stevens previous to their names being subscribed thereto, and that deponents are reputable persons to whose affidavits full faith and credit should be given.

George J. Roskrug
Notary Public

U. S. Surveyor General's Office.

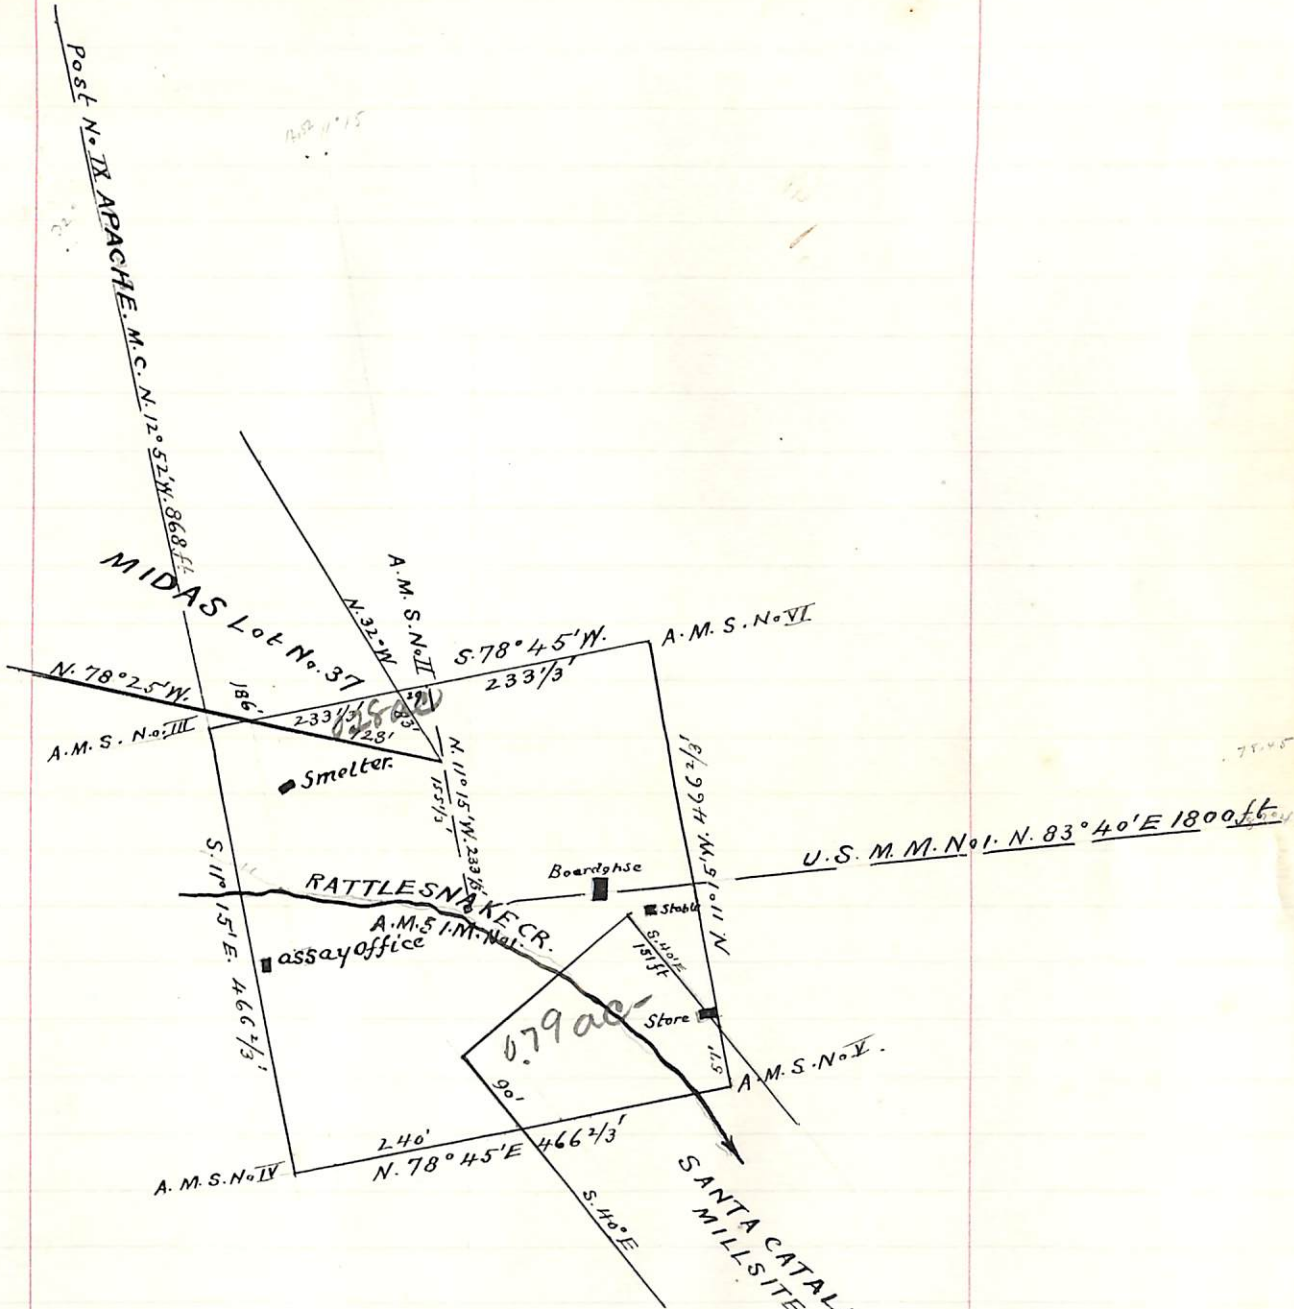

Tucson, Arizona, *April 24th* 1882.

The foregoing field notes of the survey of the *Apache*
Mill-Site Mining Claim situate in
 the *Old Hak* Mining District, *Pima*
 County, Arizona, claimed by

Field-Notes of the Survey of the Santa Catalina Mill Site claim

S. 58° W.

112.5

To northerly center end of claim the place of beginning the survey of the exterior lines.

Containing an Area of 4.65 acres

General Description

This Mill Site claim is located along the Banks of Rattlesnake Creek on East slope of Santa Catalina Mountains, and is taken in connection with the Midas Mining claim, it was originally claimed and located in connection with the Santa Catalina Mining claim, but was purchased by the present owners, and is now claimed in connection with the Midas, Mining claim.

The claimants or their grantors have expended on labor and improvements upon said Midas Mining claim a sum amounting in value to several thousand dollars.

The land embraced within the limits of this Mill Site claim, is strictly Non Mineral in character.

U. S. Dep. Min. Surveyor.

NOTICE OF CANCELLATION OF MINERAL SURVEY

The Apache lode, M.S. No. 361 in section 20, T. 11 S., R. 16 E., Gila and Salt River Meridian, Arizona, is hereby cancelled.

This claim has not been filed with the Arizona State Office, Bureau of Land Management, in accordance with Section 314 of 43 U.S.C. 1744.

This cancellation was necessitated by a need to prepare a supplemental plat requested by the Lands Forester, Coronado National Forest, to facilitate a land exchange.
