Field Notes of the official Survey of the Holbrook Mng. claim

Being under instructions from the Surveyor General of Arizona, bearing date April 17 1882, to survey the "Holbrook" Mining claim, Warren dist., Lachise Co. A. T. and claimed by Charles Vincent, John W. Blair and Joseph Russell, I the undersigned Dep. U. S. M. Sur. proceed to the ground April 20 1882.

I find Varⁿ by Polaris $N 12^{\circ} 35' E$.

I start my survey on the center mont. of the Western End of the claim where I plant a pine post $4" \times 4" \times 4'$ painted white and marked:

HWC. U.S.S. and surround it with a mont. of rocks 2 feet high.

From here I take 2 bearings

1st $S 45^{\circ} E$ 315 feet to the center of the Discovery shaft, $4' \times 6'$, 11' deep.
2^d $N 77^{\circ} 15' E$ 87 $\frac{7}{10}$ feet to a bearing tree, black oak, 16 in. diam. - which I blaze and mark BT. HWC.

From HWC I run:

$S 25^{\circ} 35' W$

163 $\frac{5}{10}$ I intersect the Eastern side line of an official (not approved) survey of the "Baxter" Mng. claim, ^{Lot No. 52} which line I find to run $N 31^{\circ} 50' W$ and joining two posts, ^{one} marked B.M.C. N^o 5 and N.E. corner of "Hayes" and is distant from point of intersection (at 163 $\frac{5}{10}$) 588 feet, $S. 31^{\circ} 50' E$.

The other post on said "Baxter" line is marked B.M.C. N^o 6.

253 $\frac{5}{10}$ to a mont. of stones where I plant a pine post $4" \times 4" \times 4'$ painted white and marked H.S.W. U.S.S. and surround it with a mound of rocks 2 $\frac{1}{2}$ ft. high.

Thence I run

General Remarks.

The "Holbrook" is situated about 1/2 mile east of the Bisbee Smelting Works, and south of the "Payment" and east of ^{the "Cave" claim}. The ores contained in its shafts are ~~of~~ ^{oxidized} copper ores - the country rock is limestone containing big bodies of limonite & oxidized copper ores.

The location on the ground agrees fairly with the location notice except that the width is only about 500 feet, ~~there~~ ^{and} 600 ~~is~~ claimed.

The Area as contained within monuments is ~~of~~ 17 ⁸³/₁₀₀ Acres. The triangle cut off by the "Paxter" is ~~of~~ 1.600 acres but the Holbrook parties do not intend to relinquish it, but claim it as their own, and it is included in the Area of 17 ⁸³/₁₀₀ acres.
