Location.

This claim is situated, on
the top of a high ridge of hills
extending westerly from the
summit of the Dracon
Mountains, which summit
extends northwesterly & southerly
and runs through the east-
end of this claim. Said
summit of the Dracon Mts
is the east-boundary of the
Loubstone Mining Dist.

This claim is about 14
miles northeasterly, from
the City of Loubstone, in
Cochise County, Arizona,
and is about one half mile
south of the middle of Syc:
amor Pao.

Improvements

made upon this claim by claimants, or their grantors consist of Six Shafts and a Cut:

"Shaft No 1" is 4 x 6 ft. and 100. ft deep.

"Shaft No 2" is 4 x 6, feet, and 10. ft deep

"Shaft No 3" is 4 x 6, feet, and 10. feet deep.

"Shaft No 4" is 4 x 6 ft. and 10. ft deep.

"Shaft No 5" is 4 x 6, ft. and 10. ft deep.

"Shaft No 6" is 4 x 6, ft. and 40. ft deep.

The Cut is 4 ft wide; 20 ft long, and 8. ft high at its face.

The croppings of the main ledge, show very plainly, nearly the whole length of the claim. The main shaft is sunk upon this ledge, but the remainder of the shafts were sunk upon a spur, or cross ledge.

This survey is identical with the Amended Location Notice, of Claim.

There being no Public Surveys, within two miles, and no "U.S. Min. Plots," possible to connect any Survey with accuracy, I established "U.S. M. M. No. 7" with which to connect this Survey, the report of which is herewith attached.

I hereby certify that the value of the improvements made upon this claim by Claimants, or Grantors exceeds the sum of five hundred (\$500.00) Dollars.
