Notice of location

of the Marcus Lode.

Know all men by these presents, that I the undersigned claim fifteen hundred linear feet of this lode or vein, in length along the lode or vein, and three hundred feet on each side of the middle or center of the vein, with all timber growing within the limits of said claim, and all water, and water privileges thereon or appurtenant thereto under and according to the provisions of the mining laws of the United States under which the said claim has been located.

This claim commences at this monument built of stones situated upon the lode or vein at a conspicuous point or place, and runs one thousand feet west, or in a westerly direction along the vein or lode, and five hundred feet in an easterly, or east direction along the vein or lode.

The exterior boundaries of said mining claim are as follows: Commencing at a point, and monument of stones on the ledge at the east end of said claim, being five hundred feet in an easterly direction from the monument in which this notice is posted, and

running from said point three hundred feet in a southerly direction, to a monument built of stones; thence in a westerly direction fifteen hundred feet parallel with the vein or lode, to a monument of stones; thence six hundred feet in a northerly direction at right angles and across the ledge to a monument of stones; thence fifteen hundred feet in an easterly direction parallel with the vein, or lode, to a monument of stones, thence in a southerly direction three hundred feet to point of beginning.

This claim is situated about two miles in a westerly direction from Antelope Creek and about two miles in a westerly direction from the place known as George H. Wilsons store on Antelope Creek, in Weaver Mining District in the County of Yavapai, and Territory of Arizona.

This being a relocation of the claim as located by Marco Bogert, T. Phelps and C. A. Milner on the 26th day of June 1872, and recorded in Book B. 2. of Mines, Records of said County of Yavapai, at folio 498, and is

relocated simply for the purpose
of more definitely defining the
locus of said mining claim,
making no change whatever
with the original location of
said claim as made by said
Bojert, Phelps and Milner, on
the 26th day of June 1874.

Dated this 5th day of May A.D. 1887.
