This claim commences at this monument and notice placed upon the ledge, and runs 750 feet in a northerly direction and 750 feet in a southerly direction along the ledge.

The exterior boundaries are as follows, to-wit: Commencing at a monument of stone on west boundary line distant three hundred [300] feet in a westerly direction from Discovery Monument; thence in a northerly direction parallel with the ledge 750 feet to monument of stone at N. W. corner of claim; thence in an easterly direction at right angles across the ledge six hundred [600] feet to monument of stone at N. E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred [1500] feet to monument of stone at S. E. corner of claim; thence at right angles across the ledge in a westerly direction six hundred [600] feet to monument of stone at S. W. corner of claim; thence in a northerly direction parallel with the ledge 750 feet to monument on west boundary and place of beginning.

This ledge may be more generally described as situated about 1 1/2 miles from Chloride in an easterly direction and is better known as the Oriental mine. This being supplemental to the original location by J. W. Oliver Jan. 1st 1879 and recorded in Book "D" page 425 of Mohave County Records in order to enable an official survey to be made for the purpose of obtaining a United States Patent to the ground as described
