Notary Public

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, A. G. Howe, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated July 3rd, 1889, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of L. B. Van Burt and R. C. Pearson, known as the Nicholas Mining Claim, situate in the Tombstone Mining District, Cochise County, in Section 20.5., Township No. 20.5., Range No. 22.E. and designated as Survey No. _____, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimants or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

A. G. Howe
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said A. G. Howe,
U. S. Deputy Mineral Surveyor, before me Just Daily Clerk
the District Court this 18th
day of July, 1889.

Just Daily
Clerk Dist Court

"Nicholas Mine"

Notice of location. Notice is hereby given that the undersigned in compliance with the requirements of the Mining Act of Congress, approved May 10, 1872, has this day located and claim, fifteen hundred linear feet along the course of this lead, lode or vein of mineral bearing quartz, and three hundred feet in width on each side of the middle of said lead, lode or vein, situate in the Tombstone Mining District, County of Pima, Arizona, and more particularly described as follows, to wit: Commencing at this monument of stone, thence three hundred feet Northerly to centre end monument, thence East three hundred feet N. E. corner, thence South 1500 feet S. E. corner, thence West 600 feet South West corner, thence North 1500 feet N. W. corner, thence East three hundred feet to Northerly end monument.

This claim bounds the Shorty Mine on the South West, and corners on the Sunrise Mine on the South West, and shall be known as the "Nicholas Mine" Located October 8th 1878.
