FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by C. B. Foster
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of John Lawler and Beverly T. Riggs
 known as the Contact No. 2.
 and showing the respective capacities in which they acted.

Paul Lawler , Chairman.
Joe Miller , Chainman.
Frank Robles , Axman.
 _____ , Flagman.

FINAL OATHS OF ASSISTANTS.

We Paul Lawler Joe Miller
 and Frank Robles , do solemnly swear that we assisted C. B.
Foster , United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of

John Lawler and Beverly T. Riggs
 _____ , known as the

Contact No. 2. , represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Arizona .

Paul Lawler , Chairman.
Joe Miller , Chainman.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, C. B. Foster, U. S. Deputy Mineral

Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona Territory, dated May 9th, 189, I have, in strict conformity to the laws of the

United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Beverly T. Riggs and John Lawler, known as the

Contact No 2, situate in Evroska Mining District,

Yavapai County, Arizona, in Section _____, Township No. _____, Range No. _____

and designated as Survey No. 918, as represented

in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

C. B. Foster
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said C. B. Foster,
U. S. Deputy Mineral Surveyor, before me

W. C. Foster
Notary Public this 23rd

day of May, 1890.

W. C. Foster
Notary Public

-o-NOTICE OF LOCATION.-o-

KNOW ALL MEN BY THESE PRESENTS:- That we the undersigned have this day located Fifteen Hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground Three Hundred (300) feet on each side of the centre of vein, with all Mineral Deposits contained therein, and all Timber growing within the limits of said claim, and all Water and Water Privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is Located.

This claim commences at this Monument and Notice, placed upon the ledge, and runs Fifteen Hundred (1500) feet in a Northerly direction along the ledge.

The Exterior boundaries are as follows, viz:- Commencing at this Monument and Notice, and running Three Hundred (300) feet in an Easterly direction to monument at S.E. corner of claim; thence in a Northerly direction parallel with the ledge Fifteen Hundred (1500) feet to monument at N.E. corner of claim; thence in a Westerly direction at right angles across the ledge Six Hundred (600) feet to monument at N.W. corner of claim; thence parallel with the lode in a Southerly direction Fifteen Hundred (1500) feet to monument at S.W. corner of claim; thence at right angles across the ledge in an Easterly direction Three Hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated on Boulder Creek about five hundred feet North East from the Hillside center monument and running paralell with the Seven Star Mining Claim on the East boundary lines and situated between a prominent high sharp dyke in Eureka Mining District, Yavapai County, Arizona Territory and shall be known as the Contact No.2 Mining Claim.

Dated on the ground this Twenty third day of June 1887.

John Lawler.

B.T.Riggs.

Recorded at the request of John Lawler, June 30. A. D. 1887, at
15 minutes past 3 o'clock P. M. in Book 24 of Mining Records of
Yavapai County, Arizona, pages 151 - 152.
