consist of the road which extends
lengthwise through the claim
which improvements does not exceed
five hundred dollars at this date

There have been no other improvements
by other parties upon this claim

Instruments used. Youngs improved
Solar Transit & Steel Tape
Was reverse taken by use of the
Solar apparatus

A. G. Howe
U. S. Deputy Mineral Surveyor,
Tombstone July 31st 1890.

Non-Mineral Affidavit.

TERRITORY OF ARIZONA, }
County of Cochise, } ss.

Michael Kinchella and Henry Bowman of said County and Territory, being first duly sworn, each for himself and not one for the other, deposes and says that he is well acquainted with the land of the State of Iowa mill-site claim situated in the Lewis mining District Gila and Salt River Meridian, in the County of Cochise and Territory of Arizona, claimed by James H. Lewis and John A. Duncan applicant for United States patent therefor; that he is well acquainted with the character of said described land included within the boundary lines as officially surveyed by H. C. Howe United States Deputy Surveyor, having frequently passed over the same; that his knowledge of such land is such as to enable him to testify understandingly with regard thereto; that there is not to his knowledge within the limits thereof any vein or lode of quartz or other rock in place bearing gold, silver, cinnabar lead, tin or copper or any deposit of coal; that there is not within the limits of said land, within his knowledge, any placer, cement, gravel or other gravel mineral deposits; that no portion of said land is claimed under the local customs or rules of miners or otherwise; that no portion of said land is worked for minerals during any part of the year by any person or persons; that said land is essentially non-mineral land, and that there is within the boundaries of said claim improvements, to-wit:

Ironway and Ore bins;

and that he has no interest whatever in said described mill-site claim.

M. E. Kinchella

Henry Bowman

SUBSCRIBED AND SWORN to before me this 20th day of

June A. D. 1890; and I hereby certify that the foregoing affidavit was read to the said M. E. Kinchella and

Henry Bowman previous to their names being subscribed thereto, and

that deponents are reputable persons to whose affidavits full faith and credit should be given.

Scott White J.P.
Presider No. 7.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by H. G. Howe
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the ^{Mill site} mining claim
