Mineral Survey No. 1248

Lot No. _____

Prescott

Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

J. Ed. Peery et. al.

KNOWN AS THE

"Antelope" "Gey Devell" and "Sun Billy"
Heavens

Mining District,

Yavapai County, Arizona

Section Approximately in, Township 10 N 9, Range 5 W 4

Surveyed under instructions dated Jan. 21, 1897,

by J. J. Fisher,
U. S. Deputy Mineral Surveyor

Claim located Dec. 26, 1896 Jan. 2, 1888 & Jan 2, 1888, respectively.

Survey commenced Jan 23, 1897.

Survey completed Jan 25, 1897.

POOR QUALITY

The following pages are scanned at the best possible quality setting. The original pages are of poor quality and this is the best possible reproduction.

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, Andrew Peterson and John Gleason, do solemnly swear that we will well and faithfully execute the duties of chain carriers; that we will level the chain upon even and uneven ground and plumb the tally-pins, either by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability, and in accordance with instructions given us, in the survey of the Mining Claim of J. Ed. Perry et. al.

known as the Antelope, Grey Devil and Durr Billy situate in Weaver mining district, Yavapai County, Arizona in Section _____, Township No. _____, Range No. _____.

Andrew Peterson, Chainman.
John Gleason, Chainman.

Subscribed and sworn to by the above-named persons before me this 23 day of January 1897

J. J. Fisher
Notary Public

I, Andrew Peterson, do solemnly swear that I will well and truly perform the duties of axeman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of J. Ed. Perry et. al.

known as the Antelope, Grey Devil and Durr Billy, more fully described in the preceding affidavit.

Andrew Peterson, Axeman.

Subscribed and sworn to by the said Andrew Peterson before me this 23 day of January, 1897

J. J. Fisher
Notary Public

I, John Gleason, do solemnly swear that I will well and truly perform the duties of flagman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of J. Ed. Perry et. al.

known as the Antelope, Grey Devil and Durr Billy, more fully described in the preceding affidavit.

John Gleason, Flagman.

Subscribed and sworn to by the said John Gleason before me this 23 day of January, 1897

Area

Area Antelope lode	17.75 acres.
Area Gray Devil lode	14.78 acres.
Area Deer Billy lode	<u>19.88 acres.</u>
Total Area lode claims	52.41 acres.

Location

This claim is located on unswayed land about 1 mile south-west of the town of Uman, in Weaver Mining District, Yavapai Co., Arizona. Approximately in T. 10. N. R. 5. W. 4. E. Salt river meridian

Expenditure of Five Hundred Dollars

I certify that the value of the labor and improvements upon this claim, placed thereon by the claimants and their grantors is not less than five hundred dollars and that said improvements consist of:

Antelope lode

No. 1. Discovery open cut 4x10 feet, 10 feet deep which bears from East center end mon. S 66° 15' W 750 feet.

Value \$50.00

No. 2. Shaft 4x6 feet, 70 feet on incline of 22° the mouth of which bears from East center end mon. S 62° W 300 feet.

Value \$700.00

No. 3. Shaft 4x6 feet 90 feet on incline of 22° the mouth of which bears from East center end mon. S 70° W 228 feet.

Value \$900.00

Survey No 1248

Improvements

Culicope Lode

No 4. Tunnel, 4 x 6 x 15 feet, the mouth
of which bears from East center end
mon. west 114 feet
Value \$150.00

No 5. Shaft, 4 x 6 feet, 30 feet on incline of
22°. The mouth of which bears from
East center end mon. S 70° W 300 ft.
Value \$200.00

Gry Dwell

No 1. Discovery Shaft, 4 x 6 feet, 150 feet
on incline of 22°. at 100 feet on
incline an air shaft is driven to
surface. 4 x 6 feet 70 feet deep.
At 100 foot level, levels are run 4 x 6 ft
25 feet each side of shaft.
The mouth of shaft bears from East
center end N 70° 15' W 300 feet.
Mouth of air shaft bears from East
center end N 61° 15' W 360 feet
Value \$2700.00

Dew Billy

No 1. Tunnel, course N 88° E, 4 x 6 feet, 100
feet long. the mouth of which bears
from post at East center end
N 71° 30' W 105 feet.
Value \$1000.00

No 2. Shaft, 4 x 6 feet, 160 feet on incline of
22°. the mouth of which bears from East
center end post S 88° 15' W 225 feet
Value \$1600.00

Survey No 1248

Improvements

Dum Billy

No 3. Open cut 4 x 20 feet, 15 foot face
which bears from East center end post
S 88° 15' W 440 feet.

Value \$45⁰⁰

Other Improvements

A ten stamp quartz mill complete, the
South west corner of which bears from
East center end post S 60° W 415 feet

Value \$800⁰⁰

A rock cement water tank 20 x 30 ft
8 foot deep, the north east corner of
which bears from East center end
post S 31° 35' W 225 feet

Value \$300⁰⁰

Instrument

The survey was made with a Gurley
Solar Transit. The courses were
deflected from the true meridian
as determined by solar observations,
the meridian thus obtained being verified
by observations on Polaris.

J. J. Fisher
U. S. Dept. Min. Surveyor

Corrected Jan. 26th 1897.

U. S. L. M. No 1248, W. D.

There being no corner of the public surveys or the U. S. L. M. within two miles of Survey No 1248, I located and built a U. S. L. M. on the 28th of January 1897, on a high point, visible for a long distance in all directions. The site chosen is such as to insure permanency of the monument.

Set a pine post 4x6, 6' long, 2' in ground and surrounded the same by a conical monument of stones 6' in diameter and 4' high. Post marked U. S. L. M. No 1248 W. D. Also marked a granite stone 4x10x30 which I set 12" in ground and built in mow. U. S. L. M. No 1248 W. D.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by J. J. Fisher
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of J. Ed. Perry et al.
 known as the "Antelope," "Grey Devil," and "Dun Billy"
 and showing the respective capacities in which they acted.

- Andrew Peterson, Chainman.
- John Gleason, Chainman.
- Andrew Peterson, Axman.
- John Gleason, Flagman.

FINAL OATHS OF ASSISTANTS.

We, Andrew Peterson
 and John Gleason, do solemnly swear that we assisted J. J. Fisher
 United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of J. Ed. Perry et al.

known as the Antelope
Grey Devil and Dun Billy, represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Oregon

- Andrew Peterson, Chainman.
- John Gleason, Chainman.
- Andrew Peterson, Axman.
- John Gleason, Flagman.

Subscribed and sworn to by the above-named persons before me
 this 25 day of January, 1897

J. J. Fisher
 Notary Public

J. J. Fisher

(4-686.)

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, J. J. Fisher, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Oregon, dated Jan 21, 1897, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of J. Ed. Peery et. al.

known as the "Antelope" "Grey Devil" and "Dun Biley", situate in Heaven Mining District,

Javapai County, Oregon, in Section Approximate, Township No. 10 N, Range No. 5 W Gila Salt River Meridian, and designated as Survey No. 1248

as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

J. J. Fisher
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said J. J. Fisher
U. S. Deputy Mineral Surveyor, before me P. W. O'Sullivan
Register U. S. Land Office this 26
day of January 1897.

P. W. O'Sullivan
Register

Affidavit of Five Hundred Dollars Improvements.

We Andrew Peterson and John Gleason

of lawful age, being first duly sworn according to law, depose and say: that we are acquainted with the Antelope, Grey Devil and Dan Kelly mining claim, situated in Heaven Mining district, Yavapai County, Arizona Territory, for which J. Ed. Peary et. al.

has not made application for survey prior to application for patent under the provisions of the Act of Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and his grantor do exceed Five Hundred Dollars in value, and further that we are not personally interested in said mine.

Notice of Relocation.

Know all men by these presents:

That the undersigned have this day located 1500 feet of this vein or lode bearing precious metals with all dips spurs angles and variations with surface ground 300 feet on each side of the vein with all mineral deposits contained therein and all Timber and Water thereon or appurtenant thereto according to the provisions of the United States Mining Laws.

The exterior boundaries are as follows:

Commencing at a monument of stone on north boundary line distant 300 feet in a northerly direction from Discovery monument: thence in a westerly direction parallel with the ledge 750 feet to monument at N.W. corner: thence in a southerly direction at right angles across the ledge 600 feet to monument at S.W. corner: thence in an easterly direction parallel with the ledge 1500 feet to monument at S.E. corner: thence at right angles across the ledge in a northerly direction 600 feet to monument at N.E. corner thence in a westerly direction parallel with the ledge 750 feet to monument on north boundary and place of beginning.

This claim is in ^{Weaver} ~~Walker~~ Mining District Yavapai County Arizona and may be more generally described as situated one mile in a southerly direction from the town of Weaver and joins the Grey Devil on the East. This is a relocation on account of the original being incorrect and shall be known as the Antelope Mining Claim.

GREY DEVELL.

NOTICE OF LOCATION.

Of the Grey Devell Mining Claim. Under and in accordance with the provisions of an "Act of Congress" of the United States of America, approved May 10, 1872, and amendments thereto the undersigned claim for mining purposes 600 hundred feet in width and 1500 hundred feet in length along this vein or lode, called the Grey Devell mine and situate in Weaver Mining District Yavapai County Arizona Territory.

Said mine or mineral claim is described and bounded as follows to wit

Running along the ledge or vein, from the monument in which this notice (duplicate) is placed 660 feet Easterly and the East End center.

The exterior boundaries commence at a stone monument on the vein at the East center end of the claim; running thence in a Northerly direction at a right angle with the vein 300 feet to a monument; thence Westerly parallel with the vein 1500 feet to a monument; thence Southerly at a right angle with the vein 600 feet to a monument; thence Easterly parallel with the vein 1500 feet to a monument; thence Northerly at a right angle with the vein 300 feet to the place of beginning.

This claim is more particularly described as being on the south-west side of the Mountain Range East of Weaver, and about 1 mile South-east of Weaver and on the East side of Yaca Gulch.

Dated on the ground this 2 day of January 1888.
