Mineral Survey No. 1276

Lot No. _____

Gila Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

N. L. Jenkins et al

KNOWN AS THE

Burning Moscow and Grand Finale

Copper Mountain

Graham

Mining District,

County,

Arizona Territory

Section 28, Township 4S, Range 28E

Surveyed under instructions dated Dec. 30th, 1897

by Wm. Deuby
U. S. Deputy Mineral Surveyor.

Claim located Burning Moscow - Jan. 1-1890 and Grand Finale - Dec. 13, 1897

Survey commenced Jan. 6th, 1898

Survey completed Jan. 7th, 1898

Address of claimant

N. L. Jenkins

Clefflow

Arizona

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, A. W. Porter and George Smith,
do solemnly swear that we will well and faithfully execute the duties of chain carriers;
that we will level the chain upon even and uneven ground and plumb the tally-pins,
either by sticking or dropping the same; that we will report the true distance to all
notable objects, and the true length of all lines that we assist in measuring, to the best
of our skill and ability, and in accordance with instructions given us, in the survey of
the Mining Claim of N. L. Jenkins et al,
known as the
Burning Mound and Grand Finale Mining Claim
situate in Copper Mountain mining district,
Graham County, Arizona Territory,
in Section _____, Township No. _____, Range No. _____

A. W. Porter, Chainman.
George Smith, Chainman.

Subscribed and sworn to by the above-named persons before
me this 5th day of January, 1898.

*my commission expires
January 15th 1900*

George H. Hornmeyer,
Notary Public

I, _____, do solemnly swear that I will well and
truly perform the duties of axeman in the establishment of corners and other duties,
according to instructions given me and to the best of my skill and ability, in the survey
of the Mining Claim of _____
known as the _____
more fully described in the preceding affidavit.

Subscribed and sworn to by the said _____
before me this _____ day of _____,
18 _____.

I, _____, do solemnly swear that I will
well and truly perform the duties of flagman in the establishment of corners and other
duties, according to instructions given me and to the best of my skill and ability, in the
survey of the Mining Claim of _____
known as the _____
more fully described in the preceding affidavit.

Subscribed and sworn to by the said _____
before me this _____ day of _____,

scribed 4-1276.

A cross (x) and B.R., 4-1276,
chiseled on a porphyry rock, showing
6 ft. x 10 ft. x 20 ft. above ground, bears
 $N 5^{\circ} E$ 295 feet.

Thence $S 88^{\circ} 10' E$
Va. $13^{\circ} 30' E$
1300. Cross Secca Gulch, 20 feet wide, course $S 10^{\circ} W$,

Survey No. 1276.

Feet.

Grand Finales Lode -

1500 To Corner No. 1, the place of beginning.

Area.

Area of Burning Mosaic Lode	20.44 Acres
" " Grand Finales "	20.44 "
" " Lode Claimed	40.88 "

The surveys of the Burning Mosaic and Grand Finales claims are identical with the respective locations.

Location

This claim is located at the head of Quessa Gulch, and about four miles Northwest of the Town of Morenci, in Copper Mountain Mining District, County of Graham, Arizona Territory, and upon the unencumbered portion of the U. S. Government Lands, approximately in T. 4 S., R. 29 E., of the Gila and Salt River Meridians.

There are no known unpatented mining claims near it.

Expenditures of Five Hundred Dollars. I certify that the value of the labor and improvements upon this claim placed thereon by the claimants and their grantors, is not less than five hundred dollars, and that said improvements consist of -

No. 1. The discovery shaft of the Burning Mosaic Lode, 11 ft. x 6 ft. x 15 ft. deep in rock, the mouth of which is in the center line 40 ft. from center of Line 3-4.
Value \$90.

No. 2. An open cut in granite on the Burning Mosaic Lode, 8 ft. x 10 ft. x 30 ft. long, running N 20° E, the mouth of which bears N 59° 50' E 1450 feet from Cor. No. 1-4.

Value \$250.

Rurvey No. 1276.

Burroughswood and Grand Finale Lode.

No. 3. A cross cut on Burroughswood Lode, 4 ft. x 7 ft. x 30 feet long running North in rock from bottom of shaft 70 ft. deep, whose mouth is on line 3-4, 270 feet from corner No. 3.

Value \$180.

No. 1. Discovery shaft of the Grand Finale Lode, 4 ft. x 6 ft. x 15 ft. deep in rock, the mouth of which is on center line 100 ft. from center of line 1-2.

Value \$90.

No. 2. A shaft 4 ft. x 6 ft. x 70 feet deep in rock, the mouth of which is on line 2.3 - 1.4, 270 feet from corner 2.3.

Value \$500.

No. 3. A shaft on Grand Finale Lode, 4 ft. x 6 ft. x 10 ft. deep in rock, the mouth of which bears $S 59^{\circ} 50' W$ 612 feet from corner No. 2.

Value \$50.

The surface of this claim rises rapidly both to the east and west of Quercus Gulch. The vein runs East and West and is about vertical in dip. The shaft 70 feet deep on line 2.3 - 1.4 is so located as to develop by one system of workings the two locations at great depth.

Instrument.

This survey was made with a Curley Light Mountain Transit. The corners were deflected from the true meridian as determined by direct solar observations. The distances were measured with a 200 foot steel tape.

W. H. Deady
U. S. Deputy Surveyor.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by W. H. Deuby
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of N. L. Jenkins et al
 known as the Burning Moscow and Grand Finale Mining Claim
 and showing the respective capacities in which they acted.

A. M. Porter, Chairman.

George Smith, Chairman.

_____, Axman.

_____, Flagman.

FINAL OATHS OF ASSISTANTS.

We, A. M. Porter
 and George Smith, do solemnly swear that we assisted W. H. Deuby
 _____, United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of N. L. Jenkins et al

_____, known as the Burning Moscow
and Grand Finale Mining Claim, represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Arizona Territory.

A. M. Porter, Chairman.

George Smith, Chairman.

_____, Axman.

_____, Flagman.

Subscribed and sworn to by the above-named persons before me
 this 18th day of January, 1898.

George H. Hoomeyer
 Notary Public

My Commission expires
 July 18th 1900.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, Myko Denby, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated Dec. 30th, 1897 I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of N. d. Juckios et al, known as the Burning Moseow and Grand Finale, situate in Copper Mountain Mining District, Graham County, Arizona, in Section unknown, Township No. unknown, Range No. unknown, and designated as Survey No. 1276, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Myko Denby
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Myko Denby
U. S. Deputy Mineral Surveyor, before me George H. Hommeyer
Hommeyer a Notary Public this 18th
day of January, 1898.

George H. Hommeyer
Notary Public

o 6-154

my commission expires
January 18th 1900.

Affidavit of Five Hundred Dollars Improvements.

We A. W. Porter and Ben. M. Crawford

of lawful age, being first duly sworn according to law, depose and say: that we are acquainted with the Burrough Mores and Grand Female mining claim, situated in Copper Mountain Mining district, Graham County, Arizona Territory, for which N. D. Jenkins et al

have made application for survey prior to application for patent under the provisions of the Act of Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the applicants and their grantors exceed Five Hundred Dollars in value, and further that we are not personally interested in said mine.

A. W. Porter

Amended

14

Location Notice---Lode Claim.

To All Whom It May Concern:

Wm. Jenkins and John Molder
has this 13th day of December, 1897, entered upon and
located by right of discovery and ^{amended} location, fifteen hundred
(1500) feet of this vein, or lode, of mineral bearing rock, together with
three hundred (300) feet on each side of the center of same.

The name of this mining claim shall be the Burning Moscow
and it is situated about
four miles in a northwesterly direction from
Morenci in Copper Mountain
mining district, county of Graham, Territory of Arizona.

The general course of the vein, or lode, is from the East
to the West

The surface boundaries are more particularly described as follows,
to wit: Beginning at a stake at the center of the
Westerly end line of the claim, from which the discovery
shaft bears S88°10'E 40 feet, thence N78°25'W 300 feet
to Northwest Corner; thence S88°10'E 1500 feet to Northeast Corner;
thence S8°25'E 600 feet to Southeast Corner; thence N78°10'W 1500
feet to Southwest Corner; thence N78°25'W 300 feet to place of beginning.

The Northeast Corner of this claim is identical with the Northwest
Corner of the "Boulder Lode," U. S. Lot No. 58. The Southeast Corner of this
claim is identical with the Southwest Corner of the "Boulder Lode," U. S. Lot No. 58.

This claim is staked in accordance with the Arizona law by putting
a stake at each corner and at the center of each end line and each side line.

This further and amended certificate of location is made without
waiver of any previously acquired rights, but for the purpose
of correcting any errors in the original, location, description,
or record,

All done under the provisions of Chapter Six, of Title XXXII, of the
Revised Statutes of the United States, and of an Act of the General Assem-
bly of Arizona, entitled, "An Act Concerning Mines," approved March 20,
1895.

Dated on the ground, this 13th day of December, 1897.

Location Notice---Lode Claim.

To All Whom It May Concern :

Wm Jenkins and John Molder
has this 13th day of December, 1897, entered upon and
located by right of discovery and ^{amended} location, fifteen hundred
(1500) feet of this vein, or lode, of mineral bearing rock, together with
three hundred (300) feet on each side of the center of same.
The name of this mining claim shall be the "Grand Finale"

and it is situated about
four miles in a Northwesterly direction from
Morenci in Copper Mountain
mining district, county of Graham, Territory of Arizona.

The general course of the vein, or lode, is from the East
to the West

The surface boundaries are more particularly described as follows,
to wit: Beginning at a stake at the center of the
Easterly end line of the claim, from which the discovery
shaft bears $N 88^{\circ} 10' W$ 100. feet, thence $N 8^{\circ} 25' W$ 300. feet
to a stake at Northeast Corner, from which the Northwest Corner of the
"Boulder Lode", U. S. Lot No. 58, bears $S 88^{\circ} 10' E$ 1500. feet;
thence $N 88^{\circ} 10' W$ 750. feet to a stake; thence $N 88^{\circ} 10' W$ 750. feet,
to a stake at Northwest Corner; thence $S 8^{\circ} 25' E$ 300. feet to a stake;
thence $S 8^{\circ} 25' E$ 300. feet to a stake at Southwest Corner; thence
 $S 88^{\circ} 10' E$ 750. feet to a stake; thence $S 88^{\circ} 10' E$ 750. feet to a stake at
Southeast Corner; thence $N 8^{\circ} 25' W$ 300. feet to place of beginning.

The East end line of this claim is exactly identical with the
West end line of the "Burning Mound" Mining Claim.

This further and amended certificate of location is made without waiver
of any previously acquired rights, but for the purpose of correcting any errors
in the original location, description, or record.

All done under the provisions of Chapter Six, of Title XXXII, of the
Revised Statutes of the United States, and of an Act of the General Assem-
bly of Arizona, entitled, "An Act Concerning Mines," approved March 20,
1895.
