Plaintiffs,
vs.

TURNING POINT GOLD MINING AND
MILLING COMAPNY,
Defendant.

This cause coming on regularly for trial on the 28th day of December, 1900, J. S. Sniffen, Esq., appearing as counsel for plaintiffs and Rochester Ford, Esq., for the defendant: a trial by jury having been expressly waived by the respective parties in open court, the cause was tried before the court sitting without a jury, whereupon witnesses on the part of plaintiffs and defendant were duly sworn and examined and documentary evidence introduced, and the evidence being closed the cause was submitted to the court for consideration and decision, and after due deliberation thereon the court being now fully advised in the premises doth order, adjudge and decree as follows, to wit: That the said Chinaman claim as surveyed by Homer Santee, January, 1900, and as shown on the map in the land office at Tucson, Arizona, is owned between the parties hereto as follows, to wit: Beginning at the southwest and center monument of said Chinaman claim according to the aforesaid survey and run thence north 61° east 500 linear feet on the center line, at the termination of which distance a line is to be drawn parallel with the end line of the Turning Point claim as shown on said map, and the defendant herein is hereby adjudged and decreed to be the owner of all that part of said Chinaman claim westerly of said line and plaintiffs are hereby adjudged and decreed to be the owners of all of said Chinaman claim easterly of said line.

Done in open court this 15th day of February, 1901.
