CERTIFICATE OF AMENDED MINING LOCATION.

\*\*\*\*\*

THIS CERTIFIES, that the "PICTOU" lode mining claim was amended, located and claimed by right of discovery and amended location, by the undersigned, JOHN A. FORBES and JOHN MC KENZIE on the ~~22nd~~<sup>24th</sup> day of December, 1899; that the said mining claim is 1500 feet long along the course of the vein thereof, being in a South-westerly direction from the Monument in which this certificate of amended mining location is placed; together with surface ground 300 feet in width on each side of the center of said vein; that said mining claim is situated and located in the Pine Grove Mining District, in the County of Yavapai and Territory of Arizona, and about one half (1/2) mile from the "HOOSIER" Mining Claim and about TWO (2) miles in a South-easterly direction from the Saw-mill situated upon Pine Creek in said Mining District.

That the undersigned, the amended locators thereof, did on the said 22nd. day of December, 1899, amend the same by placing on the discovery shaft sunk thereon, in compliance with the laws of the Territory of Arizona, a plain sign, a notice of which the following and the preceeding is a copy:

"PICTOU" MINING CLAIM.

KNOW ALL MEN BY THESE PRESENTS, that the undersigned, JOHN A. FORBES and JOHN MC KENZIE, in compliance with the mining acts of Congress, approved May 10th, 1872, and all subsequent acts, and with the laws of the Territory of Arizona, particularly Act No. 14 of the Legislative Assembly of the Territory of Arizona, approved March 20, 1899, with regard to the location of mining claims and the amending thereof, have this 22nd. day of December, 1899, amended, located and

claimed, and by these presents do amend, locate and claim by right of discovery and amended location, 1500 linear feet and horizontal measurement on this the "PICTOU" lead, lode, ledge, vein or deposit along the course thereof, being 1500 feet in a South-westerly direction lengthwise of said claim from the center end monument on the North end of where this notice is posted, together with 300 feet in width of surface ground on either side of the center of said lead, lode, ledge, vein or deposit on the surface, together with the dips, spurs, angles and variations, and all leads, lodes, ledges, veins or deposits within the exterior limits of said claim as allowed by law, the exterior boundaries being more particularly described as follows, to-wit:-

Commencing at this monument of stone in which is placed this certificate of amended location and running thence in an Easterly direction 300 feet to a monument of stone, the same being the North-east Corner of said claim; thence in a South-westerly direction 1500 feet to a monument of stone at the South-east Corner thereof; thence in a Westerly direction 300 feet to a monument of stone at the South-west center end thereof; thence 300 feet in a Westerly direction to a monument of stone at the South-westerly corner thereof; thence 1500 feet in a North-easterly direction to a monument of stone at the North-west Corner thereof; thence 300 feet in an Easterly direction to the place of beginning.

THIS FURTHER ADDITIONAL CERTIFICATE OF AMENDED LOCATION BEING made without waiver of any previously acquired rights of said original locators, but for the purpose of correcting errors in the original location, description and record thereof. The <sup>in recording</sup> error being in transcribing the name of this Mining Claim as the "PICTON", instead of the "PICTOU" its true name, and for the further purpose of giving the undersigned all the benefits secured under and by virtue
