Amended Location Notice.

Notice of Mining Location.

Quartz Claim.

TO ALL WHOM IT MAY CONCERN:

This mining claim, the name of which is the De La Fontaine Mining Claim situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by W. C. Bishop, a citizen of the United States, the undersigned, on the 29th day of May, 1899. The length of this claim is Fifteen hundred feet, and I claim Eight hundred and fifty feet in an Easterly direction and Six hundred and fifty feet in a Westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with Three Hundred feet in width of the surface grounds, on each side of the ~~center~~ center of said claim. The general course of the lode deposit and premises is from the East to the West. The claim is situated and located in the Wallapai Mining District, in Mohave County, in the Territory of Arizona, about one and one half miles in a Northeasterly direction from Gerbat and adjoins the Henrietta Mining Claim on the West. The surface boundaries of the claim are marked upon the ground as follows: Beginning at a stone monument at a point in an Easterly direction 850 feet from the discovery shaft (at which this notice is posted), being in the center of the East end line of said claim; thence 300 feet to a stone monument, being the N. E. corner of said claim; thence 750 feet to a stone monument at the center of the North side line of said claim; thence 750 feet to a stone monument being at the N.W. corner of said claim; thence 300 feet to a stone monument at the center of the West end of said claim; thence 300 feet to a stone monument, being at the S. W. corner of said claim; thence 750 feet to a stone monument being at the center of the South side line of said claim; thence 750 feet to a stone monument at the S. E. corner of said claim; thence 300 feet to the place of beginning.

This is an amended location certificate of the De La Fontaine Mining Claim located by me on the First day of July, 1897 and recorded in the Mining Records of Mohave County on pages 135 Book N of Mining Records of said County on the 14th day of Sept. 1897 for the purpose of more definitely defining the boundaries of said claim, and for this purpose only, thereby waiving no rights acquired under the original location of date July First 1897.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th, 1895.

Dated and posted on the ground this 29th day of May 1899.

W. C. Bishop.
