## NOTICE OF LOCATION.

Know all men by these presents. That I the undersigned have this day located fifteen hundred (1500) feet of this vein or lode bearing precious metals, with all dips, spurs, angles and variations, with surface grounds three hundred (300) feet on each of the center of vein. With all mineral deposits contained therein, and all timber growing within the limits of said claim. And all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining laws under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs fifteen hundred (1500) feet in a Southerly direction along the ledge. The exterior boundaries are as follows to-wit:

Commencing at a monument and notice placed upon the ledge and running three hundred (300) feet in an Easterly direction to monument of stone at N.E. corner of claim: thence in a Southerly direction parallel with the ledge fifteen hundred (1500) feet to monument of stone at S.E. corner of claim: thence at right angles across the ledge in a Westerly direction Six hundred (600) feet to monument of stone at S.W. corner of claim thence in a Northerly direction parallel with the ledge fifteen hundred (1500) feet to a monument of stone at N.W. corner of claim: thence at right angles across the ledge in an Easterly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated about  $\frac{3}{4}$  of a mile in an Easterly direction from the Rain Bow Mine and runs parallel with the Lucky Boy Mine, this claim is situated in the Wallapai Mining District, Mohave County, Territory of Arizona.

And shall be known as the Lucky Baldwin Mining claim.

Dated on the ground this 24th, day of July 1893.
