(Quartz Claim.)

TO ALL WHOM IT MAY CONCERN:

This Mining Claim, the name of which is the "AZTEC" Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Jas. W. Haas, the undersigned, on the first day of Aug. 1898. The length of this claim is fifteen hundred feet, and this claim runs fifteen hundred feet in a Northerly direction lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the South end center monument.

The claim is situated and located in the Hualipi Mining District in Mohave County in the Territory of Arizona, about one half mile in an Easterly direction from the Ark Mill.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at South end Center monument, being in the center of the South end line of said claim; thence 300 feet to a monument being the South East corner of said claim; thence seven hundred and fifty feet to a monument at the center of the East side line of said claim; thence seven hundred and fifty feet to a monument being at the North East corner of said claim; thence (300) three hundred feet to a monument at the center of the North end of said claim; thence three hundred feet to a monument being at the North West corner of said claim; thence seven hundred and fifty feet to a monument, being at the center of the West side line of said claim; thence seven hundred and fifty feet to a monument at the South West corner of said claim; thence three hundred feet to the place of beginning.

All done under the provisions of Chapter Six of Title XXXII of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines" approved March 20th, 1895.

Dated and posted on the ground this 1st day of August 1898.
