Albert T. Colton

My commission expires Feb. 12, 1905

Notary Public in and for the State of Arizona

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Albert T. Colton, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated Dec. 18, 1901, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of The Troy Copper Company, known as the Copper mine, Chimay No. 3 lode, situate in Trinidad Mining District, Pinal County, Arizona, in Section 7, Township No. 3 N, Range No. 11 W, and designated as Survey No. 1622, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or its grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Albert T. Colton
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Albert T. Colton,
U. S. Deputy Mineral Surveyor, before me Daniel C. Stevens
this 28
day of June, 1902

Daniel C. Stevens
Clerk, District Court, Second Judicial
District of Arizona, in and for
Pinal County.

Affidavit of Five Hundred Dollars Improvements.

We, R. S. Maclay, and S. B. Williams

of lawful age, being first duly sworn according to law, depose and say: That we are

acquainted with the Climax^{Copper Mine} No. 3 mining claim, situate

in Riverside Mining District, Pinal County,

Arizona Territory, for which The Tracy Copper Company

has made application for survey prior to application for patent under the provisions of the Act of Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and its grantor exceed Five Hundred Dollars in value, and further, that we are not personally interested in said mine.

R. S. Maclay

S. B. Williams

Location Notice.

Notice is hereby given that the Climax Copper Mine No. 3 Mining claim, containing Mineral bearing quartz earth or rock in place, located by J. H. Willington on this first day of January, 1896 has been located for Mining purposes. Said claim is 1500 feet in length and we claim 300 feet on each side of the center of discovery shaft for the full length of claim. The general course of this lode, deposit or premises is North east and South West. This claim is situated in Riverside Mining District, Pinal County, Territory of Arizona about one half mile in a Westerly direction from the Globe and Riverside wagon road, and runs parallel with and joins the North side line of the Climax Copper Mine, and is one of the Climax Group of Copper Mines. This claim is bounded and marked as follows to wit: Beginning at the South West center end post or monument being about 600 feet

South West of the center of discovery shaft upon which the notice is posted thence 300 feet in a Southerly direction to a post or monument: thence 750 feet in a Easterly direction to a post or monument at the center of the South side line of claim: thence 750 feet in a Easterly direction to a post or monument: thence 300 feet in a Northerly direction to a post or monument being the center end post or monument of Easterly end of said claim, and about 900 feet North Easterly from the center of discovery shaft: thence 300 feet in a Northerly direction to a post or monument: thence 750 feet in a Westerly direction to a post or monument, being the center of the North side line of claim: thence 750 feet in a Westerly direction to a post or monument: thence 300 feet in a Southerly direction to the place of beginning. Done under and by virtue of the laws of the United States and the laws of the Territory

of Arizona
