LODE CLAIM.

To All Whom It May Concern:

This mining claim, the name of which is the Young Dick Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by John Lawler

the undersigned, on the ninth day of August 1899

The length of this claim is Fifteen hundred feet, and I claim Seventy feet in a Northerly direction, and Fourteen hundred thirty feet in a Southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with Three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the Northerly to the Southerly

The claim is situated and located in the Esuka Mining District, in Yavapai County, in the Territory of Arizona, about Fifteen hundred in a Westerly direction from The Old Dick patented mining claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stone

at a point in a Northerly direction Seventy feet from the discovery shaft (at which this notice is posted), being in the center of the North end line of said claim; thence Three hundred feet to a monument of stone, being the North East corner of said claim; thence Seven hundred fifty feet to a monument of stone at the center of the East side line of said claim; thence Seven hundred fifty feet to a monument of stone being at the South East corner of said claim; thence Three hundred feet to a monument of stone at the center of the South end of said claim; thence Three hundred feet to a monument of stone, being at the South West corner of said claim; thence Seven hundred fifty feet to a monument of stone being at the center of the West side line of said claim; thence Seven hundred fifty feet to a monument of stone at the North West corner of said claim; thence Three hundred feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines," approved March 20th, 1895, and amended March 2d, 1899.

of

The Francis Creek Springs
Mill-Site Claim and Water Right.

Know All Men by These Presents, That I the undersigned, have this day located a Mill-Site for the purpose of erecting suitable works for reducing the ores of the Young Dick Mining Claim, situated in Evaska Mining District, Yavapai County, Arizona Territory. The exterior boundaries of said Francis Creek Springs Mill-Site Claim, are as follows, viz.:

Commencing at a monument of stone at N. E. corner of claim, and running thence in a westerly direction, 466½ feet to monument of stone at N. W. corner of claim, thence in a southerly direction, 466½ feet to monument of stone at S. W. corner of claim, thence in an easterly direction, 466½ feet to monument of stone at S. E. corner of claim, thence in a northerly direction, 466½ feet to monument of stone at N. E. corner of claim and place of beginning.

This location may be more generally described as being situated On Francis Creek about two miles up from its fork with Spencer or Burro Creek, and may be known as the place where several springs furnish a constant flow of water in Francis Creek.

That I have also located in connection with the said Mill-Site Claim all ~~inches miners~~ measure of the water of this Creek under and in accordance with the laws of the Territory of Arizona, regulating the location and possession of water rights

The dimensions of the ~~ditch~~ ^{flume} for diverting the water from its natural course at the head, being as follows: Ten feet wide at top, Ten feet wide at bottom, Ten feet in depth, with a uniform grade of 2 inch to the rod.
