NOTICE OF LOCATION.

KNOW ALL MEN BY THESE PRESENTS:

That... the undersigned, have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is located.

This claim commences at this Monument and Notice placed upon the ledge, and runs fifteen hundred (1500) feet in a southerly direction along the ledge, from discovery shaft.

The exterior boundaries are as follows, viz: Commencing at this monument and notice and running three hundred (300) feet in an easterly direction to monument of stone at N. E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument at S. E. corner of claim; thence at right angles across the ledge in a westerly direction six hundred (600) feet to monument at S. W. corner of claim; thence parallel with the lode in a northerly direction fifteen hundred (1500) feet to monument at N. W. corner of claim; thence at right angles across the ledge, in an easterly direction, three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated... *N. W. corner of section 2* and commences north of said section 2... *about 300 yards and on the East*... *side of the Grand Central mine* and crosses section 2 at the well
