JOHNSON 100
 NOTICE OF MINING LOCATION.

Quartz claim.

To all whom it May Concern:

This mining claim the name of which is the JOHNSON mining claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Peter Johnson the undersigned on the thirtieth ~~th~~ day of April 1896.

The length of the claim is fifteen hundred feet and I claim eleven hundred feet in a northerly direction and four hundred feet in a southerly direction, from the center of the discovery shaft at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds on each side of the center of said claim. The general course of the lode deposit and premises is from the northerly to the southerly. The claim is situated and located in Warren Mining District in Cochise County in the territory of Arizona, about three quarters of a mile in a southeast^{erly} direction from the town of Pichee. The surface boundaries of the claim are marked upon the ground as follows: Beginning at a reef or rock of quartz north of Peter Johnson house and running parallel with the boundary: at a point in northerly direction eleven hundred feet from the discovery shaft (at which this notice is posted), being in the center of the north end line of said claim thence easterly three hundred feet to a monument of stones being the south east corner of said claim, thence southerly 750 feet to a monument of stones at the center of the east side line of said claim, thence 750 feet to a monument of stones being at the south east corner of said claim, thence 300 feet to monument of stones at the center of the south end of said claim, thence northerly 300 feet to monument of stones being at the south west corner of said claim, thence northerly 750 feet to a monument of stones being at the center of the north side line of said claim, thence northerly 750 feet to a monument of stones at the north west corner of said claim, thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six of Title 10011 of the Revised Statutes of the United States and of an Act of the General Assembly of Arizona entitled "An Act Concerning Mines" approved March 20th 1895.

Dated and posted on the ground this 30th day of April 1896.
