This claim commences at this monument and notice placed upon the ledge, and runs Seven hundred & fifty feet in a westerly direction and seven hundred & fifty feet in a easterly direction along the ledge.

The exterior boundaries are as follows, viz:

Commencing at a monument of stone on north boundary line distant three hundred (300) feet in a northerly direction from Discovery monument; thence in a westerly direction parallel with the ledge seven hundred & fifty feet to monument of stone at N.W. corner of claim; thence in a southerly direction at right angles across the ledge six hundred (600) feet to monument of stone at S.W. corner of claim; thence in a Easterly direction parallel with the ledge Fifteen hundred (1500) feet to monument of stone at S.E. corner of claim; thence at right angles across the ledge in a northerly direction six hundred (600) feet to monument of stone at N.E. corner of claim; thence in a westerly direction parallel with the ledge Seven hundred & fifty feet to monument on north boundary and place of beginning.

This ledge may be more generally described as situated 3 1/3 miles in a westerly direction from Antelope Valley & 3/4 of a mile North East of the Hoyle mine in Weaver Mining District, Yavapai County, Arizona Territory and shall be known as the LONE STAR Mining Claim.

Dated on the ground this second day of January 1892.
