Mineral Survey No. 1856

Lot No. _____

Prescott

Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

Empire Crown King Gold Mining Company

KNOWN AS THE

Plata Belle, Anaconda, Polau Star, Alburquerque, Empire, Crowned Queen & Promrose

Pine Grove

Mining District.

Yavapai County, Arizona

Section approx Township 10 N, Range 11 E - 1 (unsurveyed)

Surveyed under instructions dated Sept. 2d, 1903

by J. J. Fisher,
U. S. Deputy Mineral Surveyor

Claim located see loc. notices, 1

Survey commenced Sept. 11th, 1903

Survey completed Sept. 15th, 1903

Address

J. J. Hawkins atty.

Prescott

Arizona

2 JUN 3- 1905

Survey No. 1856.

EXPENDITURE OF FIVE HUNDRED DOLLARS.

I certify that the value of the labor and improvements upon the Albemarle, Anaconda, Platta Belle, Empire and Polar Star lode mining claims, in addition to that previously reported thereon by me, placed thereon by the claimant and its grantors, prior to the 15th, day of October 1904, the day of the expiration of publication is not less than five hundred dollars for each of said lode claims, and that said additional improvements consist of:-

Anaconda, Tunnel No. 2, which was extended on vein 4x6 ft. 90 ft. long, said tunnel being now 215 ft. long on vein.

Value of additional improvements \$1350.00

This tunnel is being run for the development of the entire group of claims, being the same vein which extends through the entire group, excepting the Empire which is a branch of the main vein.

Albemarle, there is to be credited to this claim \$400.00 worth of the improvements of tunnel No. 2, Anaconda lode.

Platta Belle, there is to be credited to this claim \$300.00 worth of the improvements of tunnel No. 2, Anaconda lode.

Empire, there is to be credited to this claim \$280.00 worth of the improvements of tunnel No. 2, Anaconda lode.

Polar Star, there is to be credited to this claim \$300.00 worth of the improvements of tunnel No. 2, Anaconda.

May 29, 1905

J. J. Fisher
U.S. Dep. Min. Surveyor.

Affidavit of Five Hundred Dollars Improvements.

We, J. M. Dean, and Roy H. Davidson

of lawful age, being first duly sworn according to law, depose and say: That we
Albemarle, Anaconda
are acquainted with the Platta Belle, Empire and Polar Star mining claim,^s
situate in Pine Grove Mining district, Yavapai County,
Arizona Territory, for which Empire Brown King Gold Mining Co.

has made application for survey prior to application for patent under the provisions
of the Act of Congress, approved May 10, 1872; and that the labor done and improve-
ments made thereon by the applicant and its grantor exceed Five Hundred
for each location in claim and that said improvements were made prior
to the 15th day of October 1904 and prior to expiration of publication,
Dollars in value, and further that we are not personally interested in said mine.

J. M. Dean

Roy H. Davidson

Notary Public

My com. expires July 20th 1905

Certificate of U. S. Surveyor General

AS TO

EXPENDITURES REPORTED AFTER RETURN OF SURVEY OF MINING CLAIM.

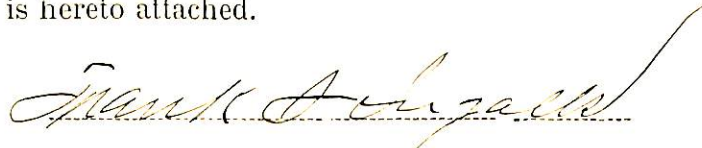

I, U. S. Surveyor General for Dist. of Arizona,
do hereby certify that Five Hundred Dollars' worth of labor has been expended or
improvements made by claimant or their grantors, upon the mining claim of
F. M. Dean and Roy N. Davidson

known as the Albemarle, Anaconda, Platta Belle, Empire & Polar Star
situate in Pine Grove mining district,
Yavapai County, Arizona

in Section _____, Township No. _____, Range No. _____;

that said improvements consist of the extension of tunnel No. 2 on the
Anaconda lode which was reported at time of survey as being 4 x 6
x 90 ft. in length, to 215 feet in length, value of extension \$1350.
as this tunnel is being run for the development of the other claims
of this survey, a portion of the value of same has properly been
credited to the other claims of the group as follows: \$400. credited
to the Albemarle; \$300. credited to the Platta Belle; \$280. credited
to the Empire and \$300. credited to the Polar Star

_____ , and that no portion of said labor or improvements has been
included in the estimate of expenditures upon any other claim. A copy of the report of
J. J. Fisher , U. S. Deputy Mineral Surveyor, dated
May 29, 1905 , 18 _____ , is hereto attached.

U. S. Surveyor General for Arizona

Office of U. S. Surveyor General,
Phoenix, Arizona

June 3, 1905 , 1

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

We, Chas. Battye and W. S. Campbell,

do solemnly swear that we will well and faithfully execute the duties of chain carriers; that we will level the chain upon even and uneven ground and plumb the tally-pins, either by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability, and in accordance with instructions given us, in the survey of the Mining Claim of Empire Crown King Gold Mining Co

known as the Albermarl, Anacanda, Platta Belle, Polar Star & Empire Princess and Crowned Queen Pine Grove mining district situate in Yavapai County, Arizona, in Section _____, Township No. _____, Range No. _____

Chas. Battye, Chainman.
W. S. Campbell, Chainman.

My commission expires
May 19, 1904

Subscribed and sworn to by the above-named persons before me this 11th day of Sept., 1903

J. J. Fisher
Notary Public

I, W. S. Campbell, do solemnly swear that I will well and truly perform the duties of axman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of Empire Crown King Gold Mining Co

known as the Albermarl, Anacanda, Platta Belle, Polar Star & Empire Princess & Crowned Queen more fully described in the preceding affidavit.

W. S. Campbell, Axman.

Subscribed and sworn to by the said W. S. Campbell before me this 11th day of Sept., 1903

My commission expires
May 19, 1904

J. J. Fisher
Notary Public

I, Chas. Battye, do solemnly swear that I will well and truly perform the duties of flagman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of Empire Crown King Gold Mining Co.

known as the Albermarl, Anacanda, Platta Belle, Polar Star & Empire Princess & Crowned Queen more fully described in the preceding affidavit.

Chas. Battye, Flagman.

Subscribed and sworn to by the said Chas. Battye before me this 11th day of Sept., 1903

My commission expires
May 19, 1904

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by J. J. Fisher
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of Empire Crown King Gold Mining Co.
 known as the Albermarl, Anaconda, Platte Belle, Platte Star, Empire, Primrose &
 Crowned Queen
 and showing the respective capacities in which they acted.

- Chas. Battye , Chairman.
- W. S. Campbell , Chairman.
- W. S. Campbell , Axman.
- Chas. Battye , Flagman.

FINAL OATHS OF ASSISTANTS.

We, Chas. Battye
 and W. S. Campbell
Fisher , do solemnly swear that we assisted J. J.
 , United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of Empire Crown King
Gold Mining Co.

..... , known as the Albermarl, Anaconda,
Platte Belle, Platte Star, Empire, Primrose & Crowned Queen , represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Arizona

- Chas. Battye , Chairman.
- W. S. Campbell , Chairman.
- W. S. Campbell , Axman .
- Chas. Battye , Flagman.

Subscribed and sworn to by the above-named persons before me

My commission expires this 15th day of Sept. , 1903
 May 10 1904

J. J. Fisher
 Notary Public

(4-686.)

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, J. J. Fisher, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated September 21, 1903, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Empire Crown King Gold Mining Company.
 Known as to Plata Belle, Araconda, ^{Potau Blau} known as the Albermarle, Empire, Crowned Sun & Prometheus,
 situate in Pine Grove Mining District,
Yavapai County, Arizona, in Section _____, Township No. _____, Range No. _____, and designated as Survey No. 1856, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or its grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

J. J. Fisher
 U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said J. J. Fisher
 U. S. Deputy Mineral Surveyor, before me La Notary Public,
 this 30th
 day of October 1903.

My commission expires
 June 24th, 1907.

NOTICE OF MINING LOCATION. LODE CLAIM.

TO ALL WHOM IT MAY CONCERN:

This mining claim, the name of which is the Plata Belle Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by

W H Kelly Frank Johnston and

the undersigned, on the 13 day of April 1903

The length of this claim is 1500 feet and WE claim 750 feet

[We or I.]

in a northerly direction, and 750 feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said vein. The general course of the lode deposit and premises is from the northerly to the southerly.

The claim is situated and located in the pine Grove Mining District, in Yavapai County, in the Territory of Arizona, about 3 miles

in a Easterly direction from The crowned King Mill in horse thief creek

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in an northerly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the north end line of said claim; thence easterly 300 feet to a monument of stones, being the northeast corner of said claim; thence southerly 1500 feet to a monument of stones, being at the southeast corner of said claim; thence westerly 300 feet to a monument of stones at the center of the south end of said claim; thence westerly 300 feet to a monument of stones, being at the southwest corner of said claim; thence northerly 1500 feet to a monument of stones, being the northwest corner of said claim; thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines," approved March 20th, 1895, and amended March 2d, 1899, and March 16th, 1901.

Notice of Location.

Know All Men by These Presents,

That *W.E.* the undersigned, have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is located.

This claim commences at this Monument and Notice placed upon the ledge, and runs fifteen hundred (1500) feet in a southerly direction along the ledge, from discovery shaft.

The exterior boundaries are as follows, viz: Commencing at this monument and notice and running three hundred (300) feet in an easterly direction to monument of stone at N. E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument at S. E. corner of claim; thence at right angles across the ledge, in a westerly direction six hundred (600) feet to monument at S. W. corner of claim; thence parallel with the lode in a northerly direction fifteen hundred (1500) feet to monument at N. W. corner of claim; thence at right angles across the ledge in an easterly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated *in Pine Grove Mining Dist Co of Yavapai and Territory of Arizona about 3 miles in an easterly direction from the Crowned King mill and about 3/4 mile south of Johnstons Needle in Horse Thief Gulch*

in *Pine Grove* Mining District, *Yavapai* County, Arizona Territory, and shall be known as the *Polar Star* Mining Claim.

DATED ON THE GROUND this *6* day of *May* 19*03*
