LOCATION.

This claim is located about 2 mi. in a S. direction from the City of Bisbee, on unsurveyed lands in the Warren Mining District, Cochise County, Arizona, approximately in Tp. 23 S. R. 24. E. G & S. R. E. M.

OTHER IMPROVEMENTS.

Drifting	1400 ft @ \$8. per ft.	\$11,200
Raising	100 ft @ \$20. " "	2,000
Winze	22 ft @ \$40. " "	880
	Total other improvements.	<u>\$14,080</u>

INSTRUMENT.

This survey was made with a Leitz Mountain and Mining transit. The courses were deflected from the true meridian as determined by solar observation, checked by an observation on Polaris. The distances were measured with a 300 foot steel tape.

Magnetic Variation $12^{\circ} 30'E$.

J. C. Clark

U.S. Deputy Mineral Surveyor.

Bisbee, Arizona,

July 23rd 1904.

NOTE:--

Any disagreement between the courses and distances of this survey and those of the surrounding patented claims are due to errors in the later.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by

Geo O Clark

United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines corners and boundaries described in the foregoing field notes of the survey of the mining claim of *The South Bisbee Copper Mining and Lavoisier Improvement Co* *attys* known as the *South Bisbee*

and showing the respective capacities in which they acted.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Geo O Clark, U. S. Deputy Mineral

Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated

December 11th 1903 I have, in strict conformity to the laws of the

United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining

Claim of The South Bisbee Copper Mining and Townsite Improvement Co, known as the

South Bisbee, situate in Warren Mining District,

Cochise County, Arizona, in Section

Approx, Township No. 23S, Range No. 24E G. S. R. B. M.

and designated as Survey No. 1886, as represented

in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy

of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and per-

petuated in strict accordance with the law, official regulations and instructions there-

under; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and

improvements made upon said mining claim by claimant or to grantors

are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Geo O Clark
U. S. Deputy Mineral Surveyor

Subscribed and sworn to by the said Geo O Clark

U. S. Deputy Mineral Surveyor, before me

NOTICE OF MINING LOCATION.
Quartz Claim.

10

TO ALL WHOM IT MAY CONCERN:

This mining claim, the name of which is the South Bisbee Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase, by the South Bisbee Copper Mining & Townsite Imp. Co. a corporation organized under the laws of Arizona, the undersigned, on the 28th day of August 1899.

The length of this claim is nine hundred and ninety three (993) feet, and the claim is Seven hundred (700) feet in a northerly direction, and two hundred and ninety (290) feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with one hundred and fifty (150) feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the South to the West.

The claim is situated and located in the Warren Mining District Cochise County, in the Territory of Arizona, about one mile in a northerly direction from Don Louis Stat'n.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones, being the south end center of this claim, at a point in a southerly direction, two hundred and ninety feet (290) feet from the discovery shaft (at which this notice is posted) being in the center of the South end line of said claim; thence one hundred fifty (150) feet to a monument No. 2 Delle Mack Surv. No. 1394 N. 70°54' E being the southwest corner of said claim; thence N. 11° 1' E 596.5 feet to a monument cor. No. 2 Iron Cap. Lod. Surv. No. 1394; thence N. 0° 12' E 355 feet to a monument and post being at the N. W. East corner of said claim; thence S. 73°51' E 143 feet to a monument of stones at the center of the North end of said claim; thence S. 78° 52' E 143 feet to a monument and post, being at the N. East corner of said claim; thence S. 0°45' E 496.5 feet to a monument stones & post, being at the center of the E side line side line of said claim; thence S. 89°40' W 496.5 feet to a monument and post at the S East corner of said claim; thence N. 70°54' E 150 feet to the place of beginning.

All done under the provisions of chapter Six, of Title XXIII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines" approved March 20, 1895.

Dated and posted on the ground this 28th day of August 1899.
