Location and adjoining Claims
This claim is located upon unsurveyed lands of the United States in the Greenlee

Survey 1946 Adrienne Lode

Gold Mountain Mining District, Graham County, Territory of Arizona, approximately in T4S R34E

Not knowing of any section corner within two miles I did not tie to any.

This claim adjoins the Club Lode Sur 1945 on the north, The New England Sur 1851 on the East and the Alrodoro Lode Sur 1851 and Princess Alice Lode Sur 1792A on the South.

Expenditure of Five Hundred Dollars.

I certify that the value of labor and improvements upon this claim placed thereon, for the benefit of this claim, by the claimants exceeds Five Hundred Dollars and that said improvement consists of the following, none of which has been credited to any other claim.

No. 1. The discovery cut, the mouth of which bears from Cor No 3, N 65° W 301 ft running N 57° 09' W, 5 ft wide 10 ft face, 16 ft in earth and loose rock
Value \$75.00

No. 2 Across cut from a winze on the New England Lode Sur 1851, which bears from Cor 3 of this claim N 74° 22' E 806 FT. Thence N 62° 18' E 70 FT. Size of cross cut 5 x 7 FT. Value \$700.

This cross cut if continued, will cut the Adrienne Lode and thus enable a means of transporting ore to an wire rope tramway on the New England Lode Sur 1851.

In testimony
This Survey was made with

Survey No 1946 Adrienne Isde

a survey Light Mountain
Transit.

The courses were deflected
from the true meridian
is obtained by observations
with a Burt Polar attachment.
The distances were measured
with a 500 FT steel tape.

Note The disagreements of these
field notes and the locations
certificate are due to errors
in the latter.

Also the disagreement
between these notes and adjoining
official surveys, are due to
errors in the latter.

The lines of other claims
were found upon the natural
ly monuments with the
proper markings.

Sedge

The presumed course of the sedge
upon the Adrienne Isde is from
the N.W.E.C. to the S.E.E.C.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by Henry M Whitaker
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines, corners, and
 boundaries described in the foregoing field notes of the survey of the mining claim of The
Standard Consolidated Copper Mines
 known as the Adrienne
 and showing the respective capacities in which they acted.

A. L. Hunsce, Chairman.
 _____, Chairman.
 _____, Axman.
 _____, Flagman.

FINAL OATHS OF ASSISTANTS.

I, A. L. Hunsce
 and _____, do solemnly swear that we assisted Henry M.
Whitaker, United States Deputy Mineral Surveyor, in marking the corners and surveying
 the boundaries of the mining claim of The Standard Consolidated
Copper & Mines
 known as the Adrienne
 represented in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under his
 direction; and that said survey has been in all respects, to the best of our knowledge and belief, faithfully and
 correctly executed, and the corner and boundary monuments established according to law and the instructions
 furnished by the United States Surveyor-General for _____

A. L. Hunsce, Chairman.

My Commission Expires March 8 - 1907.
Wiley & Jones
Notary Public,

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Harry M Whitaker, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated May 5-1904, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of The Standard ~~Consolidated~~ Copper ~~Company~~ Mines, known as the Adrienne, situate in Greenlee Gold Mountain Mining District, Graham County, Arizona, in Section approx., Township No. 45., Range No. 29 E. and designated as Survey No. 1946, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or its grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Harry M Whitaker
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Harry M Whitaker
U. S. Deputy Mineral Surveyor, before me

this 19th
day of July 1904.

Wiley E Jones
Notary Public
my Commission Expires March 7-1907,

Affidavit of Five Hundred Dollars Improvements.

We, H. L. Dunn, and A. L. Kence

of lawful age, being first duly sworn according to law, depose and say: That we

are acquainted with the Adrienne mining claim,

situate in Greenlee Gold Mtn Mining district, Graham County,

Arizona Territory, for which The Standard Consolidated

Copper Company Mines

has made application for survey prior to application for patent under the provisions

of the Act of Congress, approved May 10, 1872; and that the labor done and improve-

ments made thereon by the applicant and its grantors exceed Five Hundred

Dollars in value, and further that we are not personally interested in said mine.

AMENDED LOCATION NOTICE.

KNOW ALL MEN BY THESE PRESENTS:--

That the STANDARD COPPER MINES, the undersigned, has this 14 day of March, 1904, amended, located, and claimed, and by these presents does amend, locate and claim, by right of the original discovery and this additional and amended location certificate on the ADRIENNE Lode, vein, ledge or deposit, along the vein thereof, with all its dips, angles, and variations.

The length of this claim is 791.81 feet, and we claim 330 feet in a Southeasterly direction, and 461.81 feet in a Northwesterly direction from the center of the discovery cut, at which this notice is posted, lengthwise of the claim, together with 55 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the Southeasterly to the Northwesterly.

The claim is situated and located in the Greenlee Gold Mountain Mining District, in Graham County, Territory of Arizona, about from the N W corner of this claim U. S. L. N. No. 3 bears N 47° 45' W. 6271.70 ft.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a mound of stones, at a point in a Northwesterly direction 461.81 feet from the discovery cut (at which this notice is posted), being in the center of the Northwest end line of said claim; thence N 47° 19' E. 59.51 feet to a ~~MONI~~ post, being the Northwest corner of said claim; thence S. 77° 40' E. 791.81 feet to a post, being at the Northeast corner of said claim; thence S. 47° 19' W. 59.51 feet to a monument of stone, being the center of the Southeast end of said claim; thence S. 47° 19' W. 59.51 feet to a post, being at the Southeast corner of said claim; thence N. 77° 40' W. 791.81 feet to a post, at the Southwest corner of said claim; thence N. 47° 19' E 59.51 feet to the place of beginning.

All done under the provisions of Chapter Six, Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled " An Act to Codify and Revise the laws of the Territory of Arizona," Approved March 16th, 1901.

This is an Amended Location Notice of the Adrienne Mining Claim, located by STANDARD COPPER CO., on the 3rd day of July, 1903, and recorded in book 17 of Records of Mines, at page 125, in the office of the County Recorder of the aforesaid County of Graham, to which reference is hereby made.

Dated and posted on the ground this 14 day of March, 1904.

STANDARD COPPER MINES,
By W. A. Leonard, Agent.

Filed and recorded at the request of T. B. Inglis, March 22, A.D. 1904, at 3 o'clock P. M.. Book 18 Record of Mines, page 9.

Mit Simms,
County Recorder.

TERRITORY OF ARIZONA,)
County of Graham.) SS.

I, Mit Simms, County Recorder in and for the aforesaid County and Territory, hereby certify, that the above and foregoing is a full, true, and correct copy of the Amended Location Notice of the ADRIENNE Mining Claim, and of the whole thereof, now on record in my said office.

In Witness whereof I have hereunto set my hand and official seal this ___ day of April, 1904.

Mit Simms

County Recorder.

4-687.

SURVEYOR-GENERAL'S CERTIFICATE OF APPROVAL OF FIELD NOTES AND SURVEY OF MINING CLAIM.

Department of the Interior,

Office of U. S. Surveyor-General,

Phoenix, Arizona.

Oct. 8, 1904

I, U. S. Surveyor-General for Arizona

do hereby certify that the foregoing and hereto attached Field Notes and Return of the Survey of the Mining Claim of The Standard Consolidated Copper Company, Mines

ADRIENNE, known as the

situate in Greenlee Gold Mountain Mining District, Graham County, Arizona

in Section approx, Township No. 4 S., Range No. 29 E., designated as Survey No. 1946

executed by Harry M. Whitaker, U. S. Deputy Mineral Surveyor, July 18-19, 1904, under my instructions dated

May 5th, 1904, have been critically examined and the necessary corrections and explanations made, and the said Field Notes and Return, and the Survey they describe, are hereby approved. A true copy of the copy of the location certificate filed by the applicant. for survey is included in the field notes.

Frank S. Galloway

U. S. Surveyor-General for Arizona.

190

Expenditure of five hundred dollars.

I certify that the value of the labor and improvements upon or for the improvement of the Adrienne lode Survey No. 1946 placed thereon by the claimants or their granters prior to the period of publication is not less than five hundred dollars, and that said improvements consist of;

No. 1. The discovery cut as described in the original field notes ----- value \$75.00

No. 2. A cross cut from a winze on the New England lode Survey No. 1851, which bears from cor. No. 3 of the Adrienne lode N 74° 12' E., 806ft., running thence S 71' 42" W. 10ft., thence S 43° 03' W, 16ft., thence S 20° 20' W. 91ft., thence S 59° 40' W. 19ft., thence S. 96° 28' W. 12ft.

value \$1380.00

It is the intention of the claimants to continue No. 2. working to cut the Adrienne ledge, developing the ore bodies on that claim, and also providing an outlet through which to transport ore from the Adrienne lode to the upper terminal of gravity tram on the New England lode, which furnishes a means of transportation of all ores to the Coronado Railroad, thence to the reduction works at Clifton.

Samuel Cobb Jr
U. S. Deputy Mineral Surveyor.
