"Home Stead".

Notice of Location.

Know all men by these presents: That I, the undersigned, have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs fifteen hundred (1500) feet in a southerly direction along the ledge from discovery shaft.

The exterior boundaries are as follows, viz: Commencing at this monument and notice and running three hundred (300) feet in an easterly direction to monument of stone at N.E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument at S.E. corner of claim; thence at right angles across the ledge in a westerly direction three hundred (300) feet to monument at the center of the south end of said claim; thence westerly three hundred (300) feet to monument at S.W. corner of claim; thence parallel with the lode in a northerly direction fifteen hundred (1500) feet to monument at N.W. corner of claim thence at right angles across the ledge in an easterly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated in the south and east of Pine Flat on the Roach Ranch about one mile south of the Cumberland mine in Turkey Creek Mining District, Yavapai County, Arizona Territory and shall be known as the Home Stead Mining Claim.

Dated on the ground this 1st day of Jan. 1902.

Notice of Mining Location. LODE CLAIM.

TO ALL WHOM IT MAY CONCERN:

This mining claim, the name of which is The Gold Hill
Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by J. E. Kelly and Edward Boggs

the undersigned on the fourteenth day of November, 1902

The length of this claim is Fifteen hundred and fifty feet,
and no claim three hundred and fifty feet,

in a northerly direction, and Edwards hundred and fifty feet
in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said vein. The general course of the lode deposit and premises is from the northerly to the southerly.

The claim is situated and located in the Yavapai Mining District, in
Yavapai County, in the Territory of Arizona, about 1/2 mile
in a Southwest direction from Lower Verde
mine

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in a northerly direction three hundred and fifty feet from the discovery shaft (at which this notice is posted), being in the center of the north end line of said claim; thence easterly 300 feet to a monument of stones, being the northeast corner of said claim; thence southerly 1500 feet to a monument of stones, being at the southeast corner of said claim; thence westerly 300 feet to a monument of stones at the center of the south end of said claim; thence westerly 300 feet to a monument of stones, being at the southwest corner of said claim; thence northerly 1500 feet to a monument of stones, being at the northwest corner of said claim; thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines," approved March 20th, 1895, and amended March 2nd, 1899, and March 16, 1901.
