No. 3 lode

ADJOINING CLAIMS

North	No. 5 lode, Survey No. 1978, owned by applicants herein.
East	Steuben lode, unsurveyed, Jacob Pirrung owner.
South	Wise lode, Survey No. 1965, owned by applicants herein.
West	No. 2 lode unsurveyed, Jacob Pirrung owner.

LOCATION.

This claim is located about 3 mi. in a **SE** direction from the City of Bisbee, on unsurveyed lands in the Warren Mining District, Cochise County, Territory of Arizona, approximately in Tp. 23 S R 24 E G & S R B & M.

INSTRUMENTS.

This survey was made with a Leitz Mountain and Mining transit. The courses were deflected for the true meridian as determined by solar observation checked by an observation on Polaris. The distances were measured with a 300 foot steel tape.

Magnetic variation $12^{\circ} 30'$ N.

Franklin Smith

U. S. Deputy Mineral Surveyor.

Hibbo, Arizona.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Franklin W. Smith, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated 16th August 1904 I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Jacob Pirrung et al., known as the No. 3- situate in Warren Mining District, Cochise County, Arizona, in Section approx imately, Township No. 23S, Range No. 24E New SR Br M and designated as Survey No. 1987, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or these grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Franklin W. Smith
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Franklin W. Smith
U. S. Deputy Mineral Surveyor, before me

this 1st
day of September, 1904

Conrad Smith
NOTARY PUBLIC
In and for the County of Cochise, Territory of Arizona,
My Commission Expires March 21st, 1908.

Affidavit of Five Hundred Dollars Improvements.

We, Frank Ragoth, and J. A. Gullette

of lawful age, being first duly sworn according to law, depose and say: That we are acquainted with the No. 3 mining claim,

situate in Marion Mining district, Cochise County,

Arizona Territory, for which Jacob Turing et al.

have made application for survey prior to application for patent under the provisions of the Act of Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and his grantors exceed Five Hundred Dollars in value, and further that we are not personally interested in said mine.

Notice of Mining Location

Quartz LODE CLAIM

To All Whom it May Concern:

This Mining Claim, the name of which is the No. (3.)
Mining Claim, situate on lands belonging to the United States of America, and in which there
are valuable mineral deposits, was entered upon and located for the purposes of exploration and
purchase by Jacob Pirrung, Robert J. Hutchison, N^m
Aylward, John Aylward
(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")
the undersigned, on the 29 day of December 1901.

The length of this claim is 1500 feet,
and no claim about 20 feet,
in a westerly direction and about 1480
300 feet in a easterly direction from
the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together
with 300 feet in width of the surface grounds, on each
side of the center of said claim. The general course of the lode deposit and premises is from the
easterly to the westerly.

The claim is situated and located in the Warren Mining District, in
Cochise County, in the Territory of Arizona, about 3 miles
in a easterly direction from Bisbee.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at

at a point in a westerly direction about 20 feet from
the discovery shaft (at which this notice is posted), being in the center of the west
end line of said claim; thence 300 feet to a monument
S. W., being the S. W. corner of said claim; thence
1500 feet to a monument, being at the
S. E. corner of said claim; thence 300 feet
to a monument being at the center of the east end of said claim;
thence 300 feet to a monument being at the
N. E. corner of said claim; thence 1500
feet to a monument at the N. W. corner of said claim;
thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of
the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to
Codify Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 29 day of December 1901.

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
