N. Curtis the undersigned, on the 7th day of Sept. 1900. The length of this claim is 1500 feet and I claim 1500 feet in a Northerly direction from the center of the discovery shaft at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South. The claim is situated and located in the Silver Bell Mining District in Pima County, in the Territory of Arizona, about 1/4 mile in a South Easterly direction from the Silver Bell Camp and Store. The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones which is the South end center of claim and the discovery shaft (at which this notice is posted) being in the center of the Southerly end line of said claim; thence Easterly 300 feet to a monument of stones being at the South Easterly corner of said claim; thence Northerly 750 feet to a monument of stones at the center of the East side line of said claim; thence Northerly 750 feet to a monument of stones being at the North East corner of said claim; thence Westerly 300 feet to a monument of stones at the center of the Northerly end of said claim; thence Westerly 300 feet to a monument of stones being at the North West corner of said claim; thence Southerly 750 feet to a monument of stones being at the center of the West side line of said claim; thence Southerly 750 feet to a monument of stones at the South West corner of said claim; thence Easterly 300 feet to the place of beginning. All done under the provisions of Chapter Six of Title XXXII, of the Revised Statutes of the United

States and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines" approved March 20th 1895. Dated and posted on the ground this 7th day of Sept. 1900.
