"Mill"

Location Notice

Know all men by these presents, that I, A.C. Dake, by J.E. Tomlinson Agt. have located for mining purposes according to the provisions of the laws of the United States five hundred fifty feet of mineral bearing ground along this lode line:

Beginning at the point of discovery and running in a southerly direction two hundred eighty five (285) feet to the north center stake of the Oro Grande claim; and also beginning at this point and running northerly to a rock monument on the South end of the Ohio lode and about one hundred ten feet north of the south end center of the said Ohio claim. This claim has for its southern boundary the northern boundary of the said Oro Grande claim and for its northern boundary a line drawn parallel to its southern boundary from the southeast corner of said Ohio claim. I also claim three hundred feet of ground on each side of the said lode line together with all timber, water and mineral bearing ledges thereon, this claim shall be known as the "Mill" Mining Claim and is located in the Marsayampa Mining District of Arizona at the place formerly known as the Mescal Mill.

Located this 19th day of August 1896.
