Mineral Survey No. 2041

Lot No. _____

Prescott Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

John Mc Gillen

KNOWN AS THE

Old Spaniard, La Española and The Turque
Walnut Grove Mining District,

Yavapai County, Arizona

Section 3 Approx. Township 11 N., Range 4 W. (unsurveyed)

Surveyed under instructions dated March, 3rd, 1905,

by A. B. Mader

U. S. Deputy Mineral Surveyor

Claim located See loc. notices, 1

Survey commenced March 28th, 1905.

Survey completed March 30th, 1905.

Net area of The Turque	20.271 acres

SURVEY NO. 2041.

EXPENDITURE OF FIVE HUNDRED DOLLARS PER CLAIM.

~~THE TURQUE LODE.~~

I certify that the labor and improvements upon the Old Spaniard, La Espaniola, and The Turque claim, placed thereon by the claimant, or his grantors, aggregates not less than Five Hundred Dollars per claim, and that said improvements consist of:

The Turque Lode

Discovery shaft No.1, 4 x 6 x 10 ft. deep is N. 81° 20' E. 461 ft. from Cor. No.3 Value \$100.00

Cut No.2, 6 x 18 ft. long by 8 ft. face, bearing N.E. the mouth of which bears S. 17° 40' W. 715 ft. from Cor. No.4 Value \$100.00

Assign to The Turque lode an expenditure of \$300.00 of the value of shaft No.2 of the Old Spaniard lode, as hereafter set forth. Value \$300.00

OTHER IMPROVEMENTS

Shaft 4 x 6 x 25 ft. deep, is N. 82° 43' E. 360 ft. from Cor. No.3, not made by claimant.

Shaft 4 x 6 x 15 ft. deep, and is N. 86° 45' E. 352 ft. from Cor. No.3, and is not made by claimant.

LA ESPANIOLA LODE.

Discovery shaft No.1, 4 x 6 x 10 ft. deep, is N. 0° 39' E. 514.65 ft. from Cor. No.1 Value \$100.00

Shaft No.2, 4 x 6 x 30 ft. deep, timbered, is N. 58° 25' E. 418 ft. from Cor. No.5. The last 10 ft. of excavation and the timbering in this shaft were done by the claimant Value \$100.00

Assign to the expenditure for the La Espaniola lode \$300 of the value of the Old Spaniard lode credited to shaft No.2, as hereinafter set forth Value \$300.00

OTHER IMPROVEMENTS

Cut . . . , 4 x 20 ft. long by 5 ft. deep, bearing S.10° W. from the N. End which is N. 54° 10' E. 445 ft. from Cor. No.5: This was not done by claimant.

SURVEY NO. 2041.

EXPENDITURE OF FIVE HUNDRED DOLLARS PER CLAIM.

LA ESPANIOLA LODE.
OTHER IMPROVEMENTS.

Cut No. 1, 4 ft. by 30 ft. long, by 6 ft. deep, bearing N. 10° E. from the South end which is N. 62° 50' E. 394 ft. from Cor. No.5. This work was not done by claimant.

OLD SPANIARD LODE.

Discovery shaft No.1, 4 x 7 x 60 ft. deep, with a drift at bottom to the North 4 x 6 x 30 ft. and an open cut at the surface from the shaft to the N.E. 6 ft. x 10 ft. x 6 ft. deep, is N. 8° 7' E. 670.8 ft. from Cor. #5

Value \$750.00

Shaft No.2, 4 x 6 x 85 ft. deep, timbered, with a cross-cut at the bottom 4 x 6 x 37 ft. and a drift to the South 4 x 6 x 20 ft., is N. 57° 40' E. 667 ft. from Cor. No.1
Value \$2,000.00.

Assign \$300.00 of the value of this shaft to the credit of The Turque and La Espaniola lodes to complete the expenditure of \$500.00 per claim for these lodes. This assignment is made on account of the shaft No.2 of the Old Spaniard lode being designed to be a working shaft for the development of the three ledges in this group of claims in the most economical manner from one shaft.

Other improvements on Old Spaniard not claimed by claimant herein from Cor. No.1, shaft No. N. 57° 40' E. 73 ft. and a cut to N. 54° 25' E. 762 ft. from Cor. No. 5, shaft No. N. 12° 30' E. 697 ft. Net Value \$1400.00

A diligent search was made within a radius of two miles for a section corner or a U. S. Mineral Monument or a corner of a patented claim. None such having been found, I establish U. S. Mineral Monument No.2041, as per notes and plat accompanying this Survey.

This survey was made with a Gurley light mountain transit with a solar attachment. The courses were deflected from the true meridian as determined by solar observation. The distances were measured with a 200 ft. steel tape.

The discrepancy between the distance from the discovery shaft to the end centers of the Old Spaniard lode as sur-

SURVEY NO. 2041.

veyed and as called for by the location notice is due to error in the latter, likewise in the case of the La Espanola and The Turque lodes.

A. B. Mader

U. S. Dep. Min. Surveyor.

NOTES OF THE ESTABLISHMENT OF U. S. MINERAL MONUMENT NO.2041

WALNUT GROVE MINING DISTRICT, YAVAPAI COUNTY, ARIZONA.

In the survey for patent of the Old Spaniard et al. lodes Survey No.2041, a diligent search was made for section corners of a U. S. Mineral Monument, within a radius of two miles. No corners having been found, I proceed to establish U. S. Mineral Monument No.2041, Walnut Grove Mining District,

On a granite boulder in place $2\frac{1}{2}$ x $2\frac{1}{2}$ ft. by $2\frac{1}{2}$ ft. above the ground, I chisel a cross for the exact corner point, and on the N. E. face in letters $2\frac{1}{2}$ ins high, U.S. M. M. No.2041 W.G.M.D. whence,

The Jersey Lily Mine in the Hassayampa Mountains brs N. $51^{\circ} 6'$ E. about $13\frac{1}{4}$ miles distant.

Tower Mountain, the highest peak of the Bradshaw Mountains, brs S. $74^{\circ} 17'$ E. $18\frac{1}{4}$ miles distant.

Mt.Union brs N. $61^{\circ} 31'$ E. about 18 miles distant.

Jackson Peak, a sharp conical topped mountain, brs S. $0^{\circ} 40'$ W. about 4 miles, and the town of Placerita about 2 miles distant in the same direction.

The highest point of the Date Creek Mountains brs N. $78^{\circ} 52'$ W.

The town of Kirkland brs about N. $17^{\circ} 30'$ W. 10 miles distant.

Cor. No.1 of the La Espaniola lode, Survey No.2041, brs S. $25^{\circ} 3'$ W. 25.75 ft.

No other bearings available.

The stage road from Kirkland to Placerita passes at about 300 ft. to the east of this monument and at a distance of about 3 miles from Placerita.

A. B. Madson
Dep. U. S. Min. Surveyor.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by A. B. Mader
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of John Mc. Gillen
 known as the Old Spaniard, La Espaniola and The Turque
 and showing the respective capacities in which they acted.

Charles Gustavson, Chairman.
 _____, Chairman.
 _____, Axman.
 _____, Flagman.

FINAL OATHS OF ASSISTANTS.

I, Mc. Charles Gustavson
 and _____, do solemnly swear that we assisted A. B.
mader, United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of John Mc Gillen
La Espaniola and The Turque, known as the Old Spaniard
La Espaniola and The Turque, represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of ^{my} ~~our~~ knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Arizona.

Charles Gustavson, Chairman.
 _____, Chairman.
 _____, Axman .
 _____, Flagman.

Notary Public,

(4-686.)

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, A. B. Mader, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated March 3rd 1905, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of John Mc gillen, known as the Old Spaniard, La Española and The Turque, situate in Walnut Grove Mining District, Yavapai County, Arizona, in Section 3 approx., Township No. 11 N, Range No. 4 W. unsurveyed, and designated as Survey No. 2041, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

A. B. Mader

U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said A. B. Mader

U. S. Deputy Mineral Surveyor, before me Emma Church

My commission expires Sept. 11, 1905.

Affidavit of Five Hundred Dollars Improvements.

We, C. H. McKenzie and Charles Gustavson

of lawful age, being first duly sworn according to law, depose and say: That we are acquainted with the

Old Spaniard, La Espavada and The Turque mining claim, situate in Walnut Grove

mining district, Yavapai County, Arizona Territory, for which J. E.

Morrison, Atty. for John Mc Gillen

has made application for survey prior to application for patent under the provisions of the Act of Congress

approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and

his grantor ^{per claim} exceed five hundred dollars in value, and further that we are not personally interested in said mine.

Notice of Location

-----*****-----

Know all men by these presents: That I the undersigned have this day located Fifteen Hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining Laws, under which it is located.

This claim commences at this monument and notice placed upon the ledge, and runs 1000 feet in a Northerly direction and 500 feet in a Southerly direction along the ledge.

The exterior boundaries are as follows, viz:

Commencing at a monument of stone on west boundary line, distant three hundred (300) feet in a westerly direction from discovery monument; thence in a northerly direction parallel with the ledge 1000 feet to monument of stone at N.W. corner of claim; thence in an easterly direction at right angles across the ledge six hundred (600) feet to monument of stone at N.E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument of stone at S.E. corner of claim; thence at right angles across the ledge in a westerly direction six hundred (600) feet to monument of stone at S.W. corner of claim; thence in a northerly direction parallel with the ledge 500 feet to monument on west boundary and place of beginning.

This ledge may be more generally described as situated as about five miles from Juniper Spring and Placerita Camp on the wagon road running from Placerita Camp to Prescott and upon and partly over a hill on the East side of said road and about two miles westerly from the patented "Fountain" gold Mine on French Gulch and was located as the "Old Spaniard" Gold Mine by A.A. Moore in January 1893, and by him since sold and transferred and also by his assigns sold, transferred and abandoned, and this is a re-location thereof by the undersigned. It is situated in Walnut Grove Mining District, Yavapai County, Arizona Territory, and shall be known as "Old Spaniard" Gold Mine or Mining Claim.

Dated on the ground this 30th day of May 1895.

Deputy.

-----*****-----

To all whom it may concern:

This mining claim, the name of which is the La Espaniola Mining Claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits was entered upon and located for the purposes of exploration and purchase by John and R.E. McGillen, citizens of the United States, the undersigned, on the twentieth day of July 1903.

The length of this claim is 1500 feet and we claim 750 feet in a Northerly direction, and 750 feet in a Southerly direction from the center of the discovery shaft, at which this notice is posted lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Walnut Grove Mining District, in Yavapai County, in the Territory of Arizona, about 3 1/2 miles in a Northerly direction from Isabella Quartz Mill on Anastra Creek, adjoins the Rainbow claim on the North and lies almost entirely on West side of Kirkland-Placerita County road.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at monument of stone at a point in a Northerly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the Northerly end line of said claim; thence 300 feet in an easterly direction to a monument of stone being the Northeast corner of said claim; thence 1500 feet to a monument of stone, being at the Southeast corner of said claim; thence 300 feet to a monument of stone at the center of the South end of said claim; thence 300 feet to a monument of stone being at the Southwest corner of said claim; thence 1500 feet to a monument of stone at the Northwest corner of said claim; thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and codify the Laws of the Territory of Arizona", approved March 16th 1901.

Dated and posted on the ground this 20th day of July 1903.

"The Turque"

Notice of Mining Location
Lode Claim.

-----*****-----

To all whom it may concern:

This mining claim, the name of which is the The Turque Mining Claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by John and P.E. McGillen, citizens of U.S. the undersigned, on the 23rd day of May 1903.

The length of this claim is fifteen hundred (1500) feet and we claim one thousand (1000) feet in a Northeasterly direction, and five hundred (500) feet in a Southwesterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the Northeast to the Southwest.

The claim is situated and located in the Walnut Grove Mining District, in Yavapai County, in the Territory of Arizona, about 3 1/2 miles in a Northerly direction from Isabella Mill on Arastra Creek and 300 feet from Kirkland-Placerrita road (West) adjoins Rainbow claim on the North is a relocation of Copper Hill and all subsequent locations and takes in about same ground.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at monument of stone and wood (post) at a point in a Southwesterly direction five hundred (500) feet from the discovery shaft (at which this notice is posted), being in the center of the Southerly end line of said claim; thence three hundred (300) feet to a monument of stone, being the Southwest corner of said claim; thence fifteen hundred (1500) feet to a monument of stone, being at the Northwest corner of said claim; thence three hundred (300) feet to a monument of stone at the center of the Northerly end of said claim; thence three hundred (300) feet to a monument of stone being at the Northeast corner of said claim; thence fifteen hundred (1500) feet to a monument of stone at the Southeast corner of said claim; thence three hundred (300) feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona" approved March 16, 1901.

Dated and posted on the ground this 23rd day of May 1903.
